PUBLISHED WEEKLY BY THE STUDENTS OF GEORGE WASHINGTON UNIVERSITY

Third Issue of the GHOST Goes on Sale Monday

Vol. 23—No. 23

WASHINGTON, D. C., WEDNESDAY, MARCH 16, 1927

Chips

We have arrived! We can now look Arthur Brisbane, George Rothwell Brown and O. O. McIntyre in the face and tell them how it is done. We have received public recognition.

At a School Spirit seance last week a rising vote of thanks was unanimously accorded us. We are extremely grateful.

Frankly, though, we don't know just how to proceed in the matter. We have consulted Emily Price Post but find no formula for the acknowledgment of a rising vote of thanks. A certain uncertainty as to the reason for this vote makes the situation doubly perplexing.

And there are other complications. We are reliably informed that at a Spirit meeting a couple of weeks ago the Club seriously considered passing a resolution of censure against us for disparaging remarks. This move, however, was balked, thus cheating us out of an incalculable amount of free publicity.

Of course, a rising vote of thanks is not something to be sneezed at; but a vote of censure! Now there's something that as an advertising agent approaches actual suppression.

Our position in the matter of school spirit has undergone no change. We still are of the belief that School Spirit is not to be hunted down with loud declarations of intent, red paint and badges. We still feel that even though effective, these methods would be superfluous because there already exists at G. W. a very real school spirit. At C. U. games, at the annual musical comedy—upon any appropriate occasion, this is amply and spontaneously demonstrated.

The Troubadours announce the election of "50 Beautiful Ladies 50" to grace the chorus of the musical comedy. This group has a tradition to live up to. It will have to go some to equal the peppiness of "Come A Little Closer" or the provocativeness of "Just A Kiss."

Those who last year contracted severe cases of stiff neck in an effort to view the gymnasium stage from any place back of the first three rows of seats, will welcome the announcement that this year's show is to be presented in the Little Theatre at Wardman.

Great oaks from little acorns grow. A former editor of the Hatchet's dramatic column blossoms into a full-fledged theatre manager. We aren't sure that metaphor isn't somewhat mixed, and probably its inspirer will accuse us of referring to him as a nut, but what we really mean to say is that anyone with the worthy object of improving Washington's movie diet is entitled to support and success.

In his talk at the Gamma Eta Zeta initiation banquet President Lewis revealed a life-long ambition to establish a new record in circling the globe. In these days of electricity Prexy at least runs no risk of being tortured during his trip by the remembrance of a neglected gas jet, as was Jules Verne's hero of eighty-day fame.

Sphinx Club is fortunate in a limited membership which precludes any comment on the selection of new members. It picks a sufficient number of outstanding co-eds to fill vacancies, and the argument is closed.

An editorial in this issue headed "Professors" lists the reasons why professors grow gray headed. So far no one has seen fit to enumerate the reasons for gray hair among students, and until we are safely graduated it might be the better part of valor to leave this subject untouched.

Peky Sharp

Scholarship Lunch Will Be Held Today

Cup Will Be Awarded to Sorority With Highest Scholastic Averages

Elaborate plans are being made for the scholarship luncheon to be held today at Rauscher's, at 1:30 o'clock. At this affair, the sorority having the highest scholastic average will be awarded the coveted cup. Anna L. Rose, Dean of Women, will present the trophy to the fortunate sorority.

Mrs. Henry Gratton Doyle is to be the guest of honor. The freshman in each sorority, and the non-sorority girl maintaining the highest average for the first semester will attend.

SCHOLARSHIP CUP OF FRATS IS WON BY KAPPA ALPHA

Acacia is Second and Sigma Chi Third in Annual Trophy Competition

TROPHY IS PRESENTED AT INTERFRAT PROM

General Average is Higher Than Last Year's All But One Frat Shows Increase

With a general average for active members last year of \$5.92 per cent, Kappa Alpha Order (South), carried off the scholarship cup offered annually by the Interfraternity Council for the member fraternity with the highest average in studies the previous year. Acacia Fraternity was second with an average of \$5.01 per cent, but a fraction of a point back of the winner. Sigma Chi Fraternity was in third place.

The general average this year was almost three points better than the winning average last year, when Theta Upsilon Omega Fraternity won the cup with an average of \$3.2. The lowest average this year was \$7.42, made by Sigma Alpha Epsilon. This was three points higher than the low average last year.

A loving cup, symbolic of the honor attained, was presented to Kappa Alpha at the annual Interfraternity Prom held at the Willard Hotel last Friday evening. A complete check of the records of the fraternity men were made by the Registrar's Office.

Sigma Nu Increase Greatest

Last year's winner, Theta Upsilon Omega, took fifth place this year. Kappa Alpha, the present winner, was in second place last year, while Phi Sigma Kappa, who took third in 1926, fell to ninth place in the present rating.

But one fraternity made a lower average this year than last, showing a decided upward trend in the averages. This was Phi Sigma Kappa, which fell almost three points in the new totals.

Sigma Nu fraternity boasts of the greatest increase over last year's figures, their present average of \$2.50 being 5.45 points better than their average last year. Next to them in amount of increase is Sigma Phi Epsilon, which pulled from last place last season to eighth this year and picked up 5.38 points over their average of last year.

The averages as a whole are excellent and rank well with the fraternity averages throughout the country.

A tabulated list of the standing follows:

	Pr. ct.
Kappa Alpha	\$5.92
Acacia	\$5.01
Sigma Chi	\$4.05
Theta Delta Chi	\$3.55
Theta Upsilon Omega	\$3.42
Sigma Nu	\$2.50
Kappa Sigma	\$1.71
Sigma Phi Epsilon	\$0.25
Phi Sigma Kappa	\$7.58
Delta Tau Delta	\$7.44
Sigma Alpha Epsilon	\$7.42

Avis Named Head of Freshman Law Class

Results of Election Announced Day After; Lawrence Knapp Made Vice President

Samuel B. Avis was elected president of the Freshman Law Class, last Friday, March 11, in Stockton Hall.

With voting qualifications determined immediately after the ballots were taken, election results were checked Friday night, and announcement of the victorious officers made the next day. This was in complete contrast with the procedure followed at other elections held heretofore throughout the University, in which the results of some are still in doubt.

Other officers who were elected at the same time as President Avis are as follows: Vice-President, Lawrence Knapp; Secretary, Charles Fetterer; Treasurer, John Fessenden; Senate, composed of two men and one woman, Vance Brand, Frank Towles and Mary Holland.

CLASS HONORS WILBUR AS TEACHER FOR 20 YEARS

Professor Kayser Speaks on "The New Light From The East"

Dean Wilbur was the special guest in whose honor the Second Annual Banquet of the Wilbur Class of the Calvary Baptist Sunday School was held on Tuesday, March 8th at the A. A. W. Clubhouse. This banquet marked for Dean Wilbur the close of twenty years service as teacher, philosopher and friend to members of this class.

Professor Kayser, the speaker of the evening, gave a most interesting address on "The New Light from the East."

MUSICAL COMEDY CHORUS IS PICKED BY TROUBADOURS

Tentative Selection of Fifty-Four Candidates Is Made For Spring Production

SQUAD OF CHORUS GIRLS WILL BE REDUCED TO 32

Cast of Ten Principals Will Be Selected by Miss Brown, Dramatic Coach, Soon

Fifty-four girls were tentatively selected by Miss Virginia Leckie, chorus director, at the final tryout for the chorus in the Troubadours' annual production. From this group the final chorus will be chosen.

The size of the chorus in the production to be given this spring will be larger than the chorus of "Just A Kiss," the number having been increased to thirty-two. This group will be divided into two choruses of eight, each of which will bear the burden of the dancing, and a chorus of sixteen which will, together with a male octette of picked voices, provide the chorus singing. In addition the large chorus will execute several dance numbers including a unique and effective military dance. Moreover, a group of picked dancers will be selected from the chorus at large for two special numbers. These dances will be supplemented by several specialty dances by members of the cast.

From the chorus in this year's production one girl will be selected to become dancing director next year to replace Miss Leckie, who will leave Washington at the end of the present school year. The one selected for this position will act as assistant dancing director this year.

It is announced by the managing director that as the result of the final cast tryouts held last Wednesday twenty students have been tentatively selected, from which number the cast of ten principals will be finally selected by Miss Brown, dramatic coach. It is reported that there is an abundance of excellent material for the cast and that several splendid voices have been brought to light.

Producing Company

In view of an action taken last year the Troubadours are functioning as a producing company with the management of the organization in the hands of a staff of producing directors. The staff which has been in charge of affairs up to the present time is composed of Larry Parker, managing director, Mary Virginia Leckie, director of dancing, and Elmer Brown, musical director. It is announced by the present staff members that the following have been appointed to the staff: Marion Campbell, property mistress; Marie Didden, costume director; George Spangler, advertising director; and Pern Henninger, stage director.

Miss Leckie announces that chorus practice will begin this week. The following have been tentatively selected for chorus parts: Maxine Alverson, Mary Beard, Mabel Best, Betty Brandenburg, Abbie Burke, Julia Denning, Dorothy Gray, Mary Temple Hill, Bernardine Horn, Mary Cecilia Horn, Emily Pilkinton, Elsie Talbert, Winnie White, Ruth Apperson, Katherine Arends, Katherine Beall, Winifred Beall, Margaret Beasley, Christine Bannerman, Edwina Berry, Jane Blackstone, Lyda-gene Black, Anita Brown, Virginia Buell, Elizabeth Carson, Norma Crumley, Peggy Eckels, Catherine Ehrmantrout, Glenys Hamilton, Margaret Hall, Virginia Harding, Roberta Harrison, Elizabeth Hoge, Margaret Hoover, Louise Howell, Hermione John, Phillis Jones, Helen P. Kerr, Virginia Latner, Catherine Magill, Johanne Mathir, Elizabeth Miles, Jeanne Miles, Margaret Moreland, Verna Parsons, Evelyn Pierson, Alice Ranck, Helen Robb, Dorothy Schenken, Ruth Seitzick, Janet Smith, Helen Taylor, Elizabeth Waller, Vivian Ward, Marion Weed, Hylda Wrenn, Elizabeth Wright.

PUBLIC SPEAKING MEET PRELIMINARY TONIGHT

Entries Are in Division of Dramatic Interpretation

The first preliminary trials of the Public Speaking contest will be held tonight at 7:30 in Corcoran Hall 1, according to an announcement made by Harryman Dorsey, Chairman of the student committee in charge of the affair.

At this time the entries in the division of dramatic interpretation will compete, and 4 out of the 23 will be chosen to compete in the final contest on April 29. The judges for this occasion are to be Professor Kayser, Mr. Anderson and Mr. Bement. The judges for the other preliminary tryouts and for the final competition are yet to be announced.

ELECTED TO SPHINX HONOR SOCIETY

Left to right: Betty Joe Hopkins, Ermytrude Valden, and Ruth Newburn

PLAYERS DECIDE ON SPRING PLAY

"Beggar on Horseback," Broadway Success, to be Produced; Cast Partially Named

NEW EFFECTS IN SETTINGS

Play Is a Brilliant Satire on Materialism and Life Among Rich

"Beggar on Horseback," a comedy called by critics the gayest satire to come from Broadway, will be presented by the G. W. Players under the direction of Miss Katherine Brown on Friday, March 25, at the University Gymnasium, with Myrtle Posey and Hall Hopper in the leading parts. In the cast are Betty Kilbourne, Glenys Hamilton, Gwynne Sanders, and Max Tendler. Other members of the cast will be announced shortly.

Pern Henninger, in charge of the stage settings, has produced some interesting experiments in sets which give vivid impressions without the use of conventional devices. Such experiments in this kind of staging are particularly adapted to plays of the type of the "Beggar on Horseback," a dream comedy of the most fastidiously civilized type.

Play is Successful

The play is a satire by George S. Kaufman and Marc Connelly, known as author of "Dulcy," "To the Ladies," and the stage version of "Merton of the Movies," and has been as successful on Broadway and on tour as any of these comedies. It is the hilarious yet sensitive picture of a young genius lost in the swirl of modern materialism, a beautifully distorted picture of big business and life among the glided rich, which has called by such a critic as Heywood Brown "the best blow yet struck to debunk America."

JUNIOR PROM WILL BE HELD AGAIN THIS YEAR

Committee Decides to Hold Annual Dance; Results Will Decide Future of Event

The committee on social relations decided to hold the Junior Prom at their meeting this week. The place and time of the dance has been left open for the present, as the committee wishes to gain a little further knowledge as to what expense the students care to incur, though it is thought that it will be held at either the Mayflower or Willard Hotels, on or about April 20.

The Prom this year will determine whether or not the event will be held in the future, as it has not been a success financially during the past few years.

Many Ballots Returned

There has been more interest shown this year, however, as expressed by the ballots published in last week's Hatchet and turned in to the social relations committee, and it seems to be general opinion that this year's Junior Prom will be a success.

Last year the affair was held at the Willard Hotel and proved a financial failure, although a fairly good crowd attended. It has been the custom for several years to hold the Prom during Junior Week in February, but due to a lack of interest this year the event was not scheduled.

TRUSTEES NOMINATED BY ALUMNI COMMITTEE

The Executive Committee of the General Alumni Association has nominated for the Board of Trustees the following men: Henry P. Blair, John Wesley Bovee, Harry C. Daves, Alvin W. Miller and Francis R. Weller. Two trustees are to be elected. Every graduate of George Washington University is a member of the association for a period of one year, and is a qualified voter during that time.

PICK MEN TODAY FOR TRIP ABROAD

Debate Team Which Will Invade England to be Selected By Judges

TRIALS AT DINNER TONIGHT

Last Two Home Debates Result in One Victory and One Defeat For Colonials

Choice of George Washington University's international debating team which will leave for England April 30, is to be made tonight at the annual banquet given the Colonial debaters at the University Club.

Capable judges will weigh the respective merits of all the eligible men who are to compete for the team, and upon their decision rests the selection of the men who will go away on the longest trip ever attempted by a local university.

Cambridge University is now preparing the subject for the debate and the date of the meeting. From this debate the schedule will be prepared including the other British institutions to be visited on the tour.

On Thursday and Friday of last week, the last two home debates of the year took place, resulting in one victory and one defeat for the Hatchettes. By a vote of 3 to 0, New York University defeated George Washington Thursday night on the subject, "Resolved, That the Inter-Alleged Debts should be cancelled."

Uphold Affirmative

The Colonial team, which attempted to uphold the affirmative of this question, consisted of Edward C. Gallagher, William R. Ogg, and James R. Kirkland. The judges for the evening were, Mr. L. A. Hostetter, University of Chicago, Solicitor of the Patent Office; Mr. H. A. Morgan, University of Missouri; and Mr. K. G. Matheson, University of Wisconsin.

Bucknell University was beaten by a decision of 2 to 1 on Friday night, on the subject, "Resolved, That the Eighteenth Amendment should be Repealed." The victorious Colonial debaters who upheld the affirmative of the question were Gwynn Sanders and W. A. McSwain. The Bucknell team was composed of W. C. Coleman and Francis Lybarger, Jr.

Mr. C. C. Gray, University of Missouri; Mr. Joseph E. Quinlan, Clark University; and Mr. J. A. Sourwine, Cornell University, were the judges of the contest.

Ghost Walks Again on Monday; New Features

"All Fools Number" Promised to Be "Best Yet" by Members of Press Club

The Ghost walks again Monday. The "All Fools Number" of the G. W. U. campus comic magazine will go on sale Monday morning, March 21, according to an announcement recently made by the G. W. U. Press Club, its publisher.

This is the third edition of the revived comic magazine. One more issue, out May 20, will complete the edition for the year. The cover on the March issue is quite different from the other two and is said to be the best ever used by the Ghost. Several additional features have been added to the magazine and two more artists have joined the staff.

Rolston Lyon was elected a member of the club and given charge of the circulation at a recent meeting of the club. Persons wishing to insure getting their copy of the March issue have been requested to leave their name with a member of the Ghost staff at the Hatchet office, since only a limited number of copies are being printed.

BEMIS SPEAKS

At the meeting of the History Club on Tuesday, Professor Bemis spoke on the battle of the "Plains of Abraham." The talk was interestingly illustrated with pictures.

THREE HONORED BY ELECTION TO SPHINX SOCIETY

Ermytrude Valden, Ruth Newburn, and Betty Joe Hopkins Are Elected

NEW MEMBERS WERE INITIATED LAST SUNDAY

Election Brings Membership of Society Up to Its Limit of Seven Members

Three girls, outstanding in both activities and scholarship at George Washington University, were elected to the Sphinx Honor Society last Tuesday night, and were initiated into the society last Sunday afternoon. The girls who were honored were Ermytrude Valden, Ruth Newburn and Betty Joe Hopkins.

This brings the total membership of the Society back to its limit of seven members. Sphinx was founded in 1912 for the purpose of promoting high scholarship and interest in student affairs among the women of the University. Its membership is limited to seven, and only those women are eligible to election who have a scholarship average which is twenty above passing, and who take an unusual interest in college activities.

The present members of the society, including the newly initiated members, are Lonelle Davidson, Elsie Talbert, Frances Randolph Weber, Frances Walker, Ermytrude Valden, Ruth Newburn, and Betty Joe Hopkins.

The initiation ceremony was held at the home of Frances Walker, 3023 Newark Street N. W., last Sunday afternoon.

Ermytrude Valden Active

Ermytrude Valden has the most extended list of activities of the three new members. She is Managing Editor and a member of the Board of Editors of the Cherry Tree, manager of Girls' Rifle, and has been a member of the Varsity squad for the past four years; member of the Varsity Hockey team for two years; member of the Y. W. C. A., and has been social chairman of it this year; member of the Hour Glass Honor Society and is now president of that society; Gamma Eta Zeta girls' professional journalistic society; and member of Annual Varsity Committee.

She has been a member of the Junior Week publicity committee and is a member of the Junior Prom Committee; chairman of the May Day Fete for 1927; manager of basketball 1926 and member of the Varsity team for two years; assistant manager of tennis 1925; member of Columbian Women; member Women's G. W. Club and has held several offices in the club; member of the Hatchet staff; member Women's Advisory Council; Central Club; School Spirit Club; Athletic Council; captain of the Endowment Drive 1924, 1926; and runner-up for girls' sports activities cup last year. She is a member of Chi Omega Fraternity.

Ruth Newburn a Debater

Ruth Newburn has been a member of the Varsity Debating team for four years and a member of the Debating Council for the past two years. She was assistant manager of debate in 1926 and is manager at the present time; Columbian Debating Society; Troubadours and was a star in "Just a Kiss" musical production of last year; Modern Poetry Club; Hatchet staff for two years; Columbian Women; Pan Hellenic Council; and Secretary, Junior class, Columbian College. She is a member of Pi Beta Phi Fraternity.

Betty Joe Hopkins has been assistant editor of the Cherry Tree for two years; member of the Hatchet staff; swimming; Y. W. C. A.; History Club; Modern Poetry Club; Pan Hellenic Council; vice president of the Junior class of Teachers College; G. W. Players; Junior Prom Committee, 1927; El Circulo Espanol; Columbian Women; and Central Club. She is a member of Sigma Kappa Sorority.

SENIOR RING CONTRACT GOES TO AULD COMPANY

Orders For Rings May Be Left With Committee

The contract for the Senior Class ring for 1927 has been awarded to Auld & Company. The design adopted is the same as that for last year's ring. The price is \$15.00 with a setting of onyx, sardonyx, bloodstone or jade, with a slightly higher price for other stones. Seniors should place their orders with a member of the committee.

The committee is as follows: Mary Temple Hill, Teachers College; Elmer Brown, Columbian College; Irving Marshman, Law School; and John Kneese, Engineering College. A deposit of \$2.00 is requested when the order is placed, and the ring will be sent C. O. D. to the person ordering it. Delivery within three to five weeks is promised. A sample of the ring can be seen at the Registrar's Office.

Subscription, \$2.00 a year.

WASHINGTON, D. C., WEDNESDAY, MARCH 16, 1927

TEN FRESHMEN

Ten members of the Freshman Class of Columbian College are keeping the results of the Freshman elections, held earlier in the year, from being released, according to a report from the office of Professor Doyle. These freshmen have been written to a number of times and requested to come in Professor Doyle's office and check over their ballots with him, but up to the present time they have failed to do so. The results of the election will not be computed or given out until these Freshmen verify their ballots, and the result has been that the announcement of the outcome of the elections has been held up since early in the year. If you are one of these ten Freshmen you should realize your duty to your class and the University and should go at once to Professor Doyle's office and have your vote verified.

A COLLEGE SURVEY

Several things in the survey of college morals, conducted by Liberty magazine and published last week, stand out. The survey was made by a series of questionnaires sent to college editors, deans, fraternity and sorority presidents, ministers, police officials, the owners of amusement places, and societies that work among the students. Liberty chose 163 colleges for its survey and received answers from 116 of the colleges, located in every part of the United States. To us it seems that the most significant things about the results are not that the Middle West seems to lead in immorality, that the South excels in drinking, with the East a close second, that the Far West concentrates on stealing, or that the East takes first place as to drinking and smoking among women, but that wealth and social position does not of itself inspire infratious conduct and that colleges that have no sororities and fraternities are no more sedate or moral than colleges where they are allowed. That there exists immorality among the colleges of today is clearly brought out in the results, but it is just as clearly brought out that colleges today are no worse than they were twenty years ago, and if anything there is a tendency toward the better today.

The testimony of deans and of people who have traveled about the campuses for several decades is almost unanimous, says the report. "There is no longer that revelry in the colleges which caused such commotion and such an outpouring of literature a few years back. The boys and girls are more staid than they were seven years ago. Compared with the students of twenty years back there has been a distinct change of attitude. Whatever students are now, they are no longer hypocrites." This has always been our contention, and the survey seems to bear us out. We believe that the college youth is, for all of the publicity he receives today, sounder morally than he ever was.

PROFESSORS

A recent editorial which appeared in the Ohio State Lantern gives us a new slant on the professors' side of things. The article was entitled "Why Professors Get Gray" and gives as some of the reasons: "The bluffer; the boy with the loud voice and empty head; the fellow who took the course before; the sweet little co-ed who doesn't know what it's all about, but who needs at least a B in the course; the silent bird who might have something worthwhile to say but who keeps this something hidden; the deadly serious young radical who knows only that he is radical; the equally serious young conservative who believes only what his grandfather believed; and the boy who took the course just for the credit." And the article is ended with the statement, "The sleepers don't count unless they snore."

The Lantern is indeed pessimistic but we must agree that it has a classification for most of us. After years of professing it is little wonder that his hair is white.

The Interfraternity prom has come and gone, but the gaiety and revelry of the affair will not be forgotten for many a day.

The pledges of Kappa Delta Sorority gave a tea for all the other sorority pledges on the campus last Sunday afternoon.

The Military Ball at Maryland seems to have attracted quite a few G. W. co-eds last Friday night. Those present were Margaret Schwartz, Elsie Talbert, Martha Morgan and Unis Woodward.

Almost the whole Delta chapter celebrated the week-end by going to Wardman last Saturday night.

Eileen Phillips Watt, whose marriage was recently announced, was the honor guest at a shower given by Katherine Brake at her home in Chevy Chase last Saturday afternoon. The A. D. P.'s were all there.

Kappa Sigma fraternity announces the pledging of Joseph Hobbs, of Winston-Salem, N. C., and Thomas Calvin Tenniswood, of Camden, New Jersey.

Christine Larsen and Marjorie Bowman spent last week-end at Annapolis.

Phi Sigma Lambda Kappa gave a closed dance last Saturday night at the Matt Wilson Mansion. Music was furnished by the Fraternity String Quartet.

The Pep Club dance in the gymnasium last Saturday morning was a slight "let down" after the interfraternity prom but was nevertheless good exercise for those who had not been exhausted at the "Greek Ball" the night before.

Professor Kayser addressed the members of the "Styx" Club at a smoker given at the Thomas Circle Club at week ago last Monday night. On the following Saturday more than 30 couples enjoyed a dance given by the "Styx" at the club. Music for the occasion was furnished by the Hanes-Anderson Orchestra.

Henry John Klinge was formally initiated into Phi Alpha Delta fraternity last Tuesday night.

Dorothy Parker, one of our sophomores last year, has married Paul Steintart, trade commissioner of the United States to Japan. Dorothy writes that she is the "happiest ever" at her embassy home at Peking.

All the sororities and their pledges turned out en masse for the William and Mary game with George Washington last Monday evening.

Ermytrude Valden, Margaret Loeffler, Billy Rhodes, Ruth Campbell, Rowland Lyon, Verne MacDonald and many stags from the Sigma Nu house were seen at Wardman last Thursday night.

Sylvia Altman has left college to go to New York to study piano under Victor Koehler who recently offered her a scholarship to his school.

The alumni and active chapters of Phi Alpha Delta entertained their new brothers at a banquet at the Carlton last Tuesday evening.

Frances Davis entertained the members of the alumni chapter of Chi Omega sorority at her home on Twenty-seventh Street last Thursday night.

Cal Flohr, a second year student of the Medical School, thought that he had slipped one over on his classmates when he married Laura Beasley last Wednesday night. Much to his surprise he found the whole medical school waiting for him after he had said "I do." Flohr was president of his class last year and is an Alpha Kappa Kappa.

Coleman Jennings has invited the members of the Episcopal Club to meet at his home at 1221 Massachusetts Avenue on the night of March 24.

A big crowd of G. W. people turned out to see the Kappa Sig-S. P. E. bowling match last week.

Hylda Wrenn, Margaret Schwartz and Elsie Talbert will attend the K. A. house party that is to be given at Maryland University this week.

The Pan-Hellenic Scholarship luncheon takes place today. Each sorority is represented by a delegate, the active member which has the

highest grade and the pledge with the highest scholarship. The pledges are much worried about the speeches they have to make.

A lovely surprise shower was given in the Phi Mu Rooms Monday evening by Misses Lydagene and Margaret Black in honor of Miss Mary Alice Lowrey, who is to be married to Walter Grayson, Jr., of Biloxi, Miss.

Dean Rose will receive the women students of the University at tea this afternoon from 4:30 to 6 o'clock.

Phi Sigma Kappa announces the formal initiation on Saturday, March 4, of the following: M. E. Kressler, E. A. Press, Francis Killian, Robert Richey, Robert Olson, Jack Floyd, James K. Brown, William Hardy, Jr., Pern E. Henninger, and Charles Jaquette.

The Annual Founders' Day Banquet of Lambda Chapter, Phi Sigma Kappa, was held at the Chapter House, 1882 Eye Street, N. W., on Saturday, March 12.

Walda Rush, Kappa Delta inspector, has been visiting the local chapter during this week.

Virginia Blackstone spent the week-end at Annapolis.

"Chick" Martin, Don Iglehart, Myrtle Crouch, and George Muth attended the basketball game last Saturday with Western Maryland, at Westminster, Maryland.

Matalee Lake drove Marguerite Daly and Martha Coffin to Westminster for the basketball game with Western Maryland last Saturday.

Dr. C. W. Mitchell entertained the members of Theta Upsilon Omega fraternity with a smoker given at his home in Silver Spring, Maryland, Friday evening, March 4.

The Tau Club announces the addition of three new members to the roster of the club. The given name of all three of the neophytes who were accepted at the last meeting of the club, held in its meeting rooms at the Colonial Hotel, Thursday evening, March 10, is the same. The new members are: Nathan Miller, Nathan Landis, and Nathan Bersin.

The closed dance given by the Tau Club to its members and invited guests last Sunday at the Gordon Hotel, provided a most enjoyable evening for all those present. William Simons, club president, and Harold Auslander composed the dance committee for the evening.

"DANSE INTERNATIONALE" TO BE MARCH 25

Affair Will Be Given in Corcoran Hall by Spanish, French and German Clubs

George Washington University has at last officially declared the Great War at an end. The Armistice of 1918 and the Treaty of Versailles has met with approval by the entire student body of the University.

This is evidenced by the fact that the trio of clubs devoted to the promulgation of interest in French, Spanish and German have decided to meet in peaceful celebration on Friday evening, March 25. The ceremony in connection with the resumption of diplomatic relations will be in the nature of a Dance of the Nations.

The officers of El Circulo Espanol, will be the medium through which the Cercle Galia and Der Deutsche Verein are brought together. Machine guns, pistols, stills, etc., will not be in evidence. The "DANSE INTERNATIONALE" will be an entirely peaceful affair.

The music will be furnished by our own Elmer Brown and his snappy orchestra. The dance will be held in Corcoran Hall. Tickets will be fifty cents per person. All students with the requisite peaceful nature and four bits are invited.

EPISCOPAL CLUB HEARS REPORT OF DELEGATES

Delegates from the local Episcopal Club to the Tri-Diocesan Conference, which was held in Baltimore the latter part of February, made their report to the G. W. Episcopal Club at a meeting held last Thursday evening.

The two delegates from George Washington were Mildred Volandt Thomas and Rolston Lyon.

After the reports, Charles Stewart was unanimously elected Treasurer, to fill the vacancy left by Howard Clark, resigned.

"Lent and its relation to Christ" was the subject of an unusual talk given by Coleman Jennings at the meeting. This was the first of a series of three consecutive addresses to be delivered by Mr. Jennings. The theme of his address centered around the "humanism of Christ as his most predominant quality."

COLLEGES NAME MEN FOR CONFERENCE HERE

Public Administration Meet To Be Held at G. W. During Easter Holidays

Universities and colleges all over the United States will send delegates to the conference on public administration to be held here at the University on April 19 and 20.

Word has recently been received that the University of California will send Samuel C. May, associate professor of political science, as its delegate. Ohio University is sending its president Elmer Bryan to the conference.

Lafayette College will be represented by Miller D. Stevens, professor of civil rights. Dean Pollard of the Marshall-Wythe School of Government at the College of William and Mary will represent William and Mary.

A committee to take charge of the conference program will be appointed by Professor Donaldson, president of the Faculty Club here.

Plans Almost Complete For Summer Session

Visiting Professors From Large Schools Will Be Included on Faculty

Professor Kayser, Director of the Summer School, announces that the catalogue for the 1927 summer session will be issued on April 1. As usual, there will be two sessions, closing on August 13. The nine weeks course will open on June 13 and the six weeks course on July 5.

The regular faculty of the University will be augmented by many visiting professors among whom are the following: Professor J. D. Hicks, Head of Department of History, University of Nebraska; A. Curtis Wilgus, Assistant Professor of History, University of South Carolina; A. D. Wright, Professor of Education, Dartmouth College; William M. Brown, Professor of Education and Psychology, Washington and Lee University; John P. Wynne, Professor of Education, State Teachers College, Farmville, Virginia, and William McKinley Robinson, Specialist, United States Bureau of Education.

PAUL PEARLMAN G. W. U. BOOKS

1711 G STREET NORTHWEST

AT THE night sessions, when class philosophers vie with class Merry Andrews in deciding the heavy problems of the world—or burlesquing them—notice the royal guest, Prince Albert. Chiming in with the spirit of the occasion. Filling the air with the finest tobacco-aroma ever.

Do you smoke Prince Albert? It will bring you more pleasure and satisfaction than you ever thought a pipe could give. The instant you throw back the hinged lid and release that wonderful P. A. fragrance, you suspect you are in for some grand smoke-sessions.

The very first pipe-load confirms your suspicions. Cool as a gate-tender. Sweet as the week-end reprieve. Mild as the coffee in Commons—mild, yet with a full body that satisfies your smoke-taste completely. Get yourself a tidy red tin this very day.

PRINCE ALBERT

—no other tobacco is like it!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every tin of bits and parch removed by the Prince Albert process.

GIRLS' SEXTET SPLITS EVEN IN TWO CONTESTS

Defeat Western Maryland Saturday in Hard-Fought Game at Westminster, Md.

LOSE TO INDIANETTES OF WILLIAM AND MARY

Virginia Quintet Closes Season Undeferred; Maryland Game Was Final of Season

George Washington women's basketball six broke even in the two games that were staged last week. William and Mary College handed the Colonials a defeat of 31 to 13 on the gym floor Monday, March 7, while last Saturday, March 12, the Western Maryland squad bowed to the superior playing of the Hatchettes, 26 to 18, on their own floor, in the last game of the season.

This was the second victory of the year for the G. W. team over the Marylanders. The first encounter, which was played on the G. W. court during the early part of the season, ended after a hard fight in favor of the home team, 22 to 19. This hard-won contest had led the Colonials to expect more opposition than they received when they journeyed to Westminster.

The first half was close and exciting. The teams appeared evenly matched and neither could keep the lead until, almost at the end of the period, two beautiful baskets from the floor put the George Washington team in advance, 18 to 14.

The Westminster sextet was out for the lead in the second half, but the elimination of Virginia Wilson, stellar forward, from the game because of personal fouls, greatly handicapped them and they never recovered the lost ground. The Colonial dames easily retained their advantage and the last game of the year ended in a victory, 26 to 18.

W. and M. Wins

The defeat of the team by William and Mary was a great disappointment. Although the visitors had practically the same team with which they beat the Colonials last year, the improved squad of the University held hopes for the victory this season.

The first half it was anybody's game. Each team played beautiful basketball, the passing was excellent, interference good and the shooting accurate. Crumley, G. W. forward, accounted for three foul goals and two baskets from the court, and it was her loss in the second half which so crippled the team. When time was called at the second quarter the score stood 9 to 8 in favor of George Washington.

FATE OF NINE IS UP TOMORROW

Committee to Decide Whether University Will Have Official Baseball Team

MUCH MATERIAL EVIDENT

Many Stars Report for Sport; Swope is Named Manager in Place of Sapp

Whether George Washington University will be represented by a varsity baseball team this season will be decided tomorrow afternoon by the Athletic Committee.

With the sanction of the Committee practically certain Coach H. Watson Crum, Director of Athletics, has already booked games with the nines of Gallaudet and Catholic University of this city.

Mr. Crum also announced that Bradford Swope, under-classman, has been named as manager. Swope succeeds Henry Sapp, who was originally elected to that position, as the latter will undoubtedly be first-string receiver on the team and have his hands full.

As is generally known, the Colonials have no diamond of their own on which to practice so efforts are being made by Manager Swope and Coach Crum to obtain permission to occupy the Government lots.

If the present plans go through it will be the first time in three years that the Hatchettes will be represented in inter-collegiate baseball.

Enthusiasm in sports is running high at the University due to the recent successful basketball season. Some of the men have already been loosening up their rusty wings on the campus.

Prospects Bright

There is more likely looking material this year than has ever made itself apparent in the last five years. Among these who have expressed a desire to try for berths on the squad are members of the fraternity teams of last year as well as those who participated in the intramural league which held forth last spring.

So far as is known the infield candidates include "Chalky" Lopeman, football man, on first; Ray, star second baseman of the Engineers on the middle cushion, and with Jimmy Carey and Allen Perry at short and third, respectively.

Carey and Perry distinguished themselves as ends on the varsity football team and as guards on the court combination.

A great battle will be waged between Haun, Walker, Smith, and Alewine for the three outer garden posts. All of them have reputations of being ball murderers.

Henry Sapp is the only candidate for catching honors so far and he will call signals to "Reds" Thompson, Clapper, or Wheaton who are among the more prominent candidates for the hurling assignments.

Coach Crum will probably give his personal attention to baseball and the followers of the Buff and Blue may look forward to a victorious season providing the Committee decides in the affirmative.

The call for candidates will come as soon as arrangements may be made for a playing field. According to advance dope the season should start the first part of next month and continue into May, all games being played away from home.

KICKING STRESSED BY NEW RULES, SAYS CRUM

Premium is Placed on Good Kicking Says G. W. Coach

The new football rulings, which moved the goal posts back ten yards behind the goal line, were intended to prevent the easy opportunity for field goals, which caused many games to be won by one-point scores. Last year, it will be remembered, there were many scores of six-seven and the like. Although the new rules were designed to prevent this, they will probably fail to do so, according to Coach Crum.

He stated the opinion that "some teams will develop good kickers and be winning all the games." This would mean that the rules would defeat their own end, inasmuch as it would cause many teams to spend their time training men to make the extra long shot for a field goal.

Coach Crum declined to express any opinion on the other rules as he had not seen an official copy of the new rules, those published being only the opinion of individuals on the rules or newspaper reports of the changes.

MENORAH TO MEET

"The Problem of Jewish Existence Through Political and Economic Pressure" will be the topic presented by Charles Rivise tonight at 8:30 in Corcoran Hall I at the meeting of the Menorah Society.

G. W. Co-ed Basketers Have Season Margin of Victories

Four Victories and Three Defeats Marks Season of Colonial Girls' Court Team; Lose to Swarthmore, Westhampton and William and Mary

By JULIA DENNING, Girls' Sports Editor

George Washington co-ed basketers registered four victories and received three defeats, putting them just one game ahead in the season which ended at Westminster Saturday, March 12, with a 26 to 18 victory over Western Maryland.

The schedule began February 4 at Kendall Green when the Colonials defeated Gallaudet 34 to 17 in a contest much closer than the score would indicate. The following week Western Maryland went down, 22 to 19, under the onslaught of the conquering Hatchettes. On February 18 the G. W. six met the Swarthmore team and was beaten by the superior teamwork of the Pennsylvanians, 27 to 14. The next game was also disastrous for the fair tossers.

The Westhampton combination coupled with an unusually small floor proved too much and the final count was 26 to 17 against them. The second encounter with Gallaudet was even more of a decisive victory than

the former game. Using many substitutes the George Washington squad was still able to completely engulf the girls from Kendall Green by 39 to 13.

Score 165 Points

March 7, on the home court, the Hatchettes were defeated by the visiting William and Mary team by 31 to 13. During the first half of this game the best basketball of the year was played. The next game, with Western Maryland alone for the defeat, as the G. W. co-eds vanquished the Eastern Shore sextet 26 to 18.

A total of 165 points was rolled up by the Colonials during the season against 151 by their opponents.

The individual stars of the squad are difficult to name. Captain Winifred Faunce did excellent playing in the guard field, while the teamwork and shooting of Alys Ewers and Naomi Crumley in the forward territory was extremely good.

G. W. COURT MEN IN A. A. U. GAMES

Carey, Sapp and Others Score in Basketball Games of South Atlantic Tourney

CONTESTS PLAYED IN GYM

Colonial Men Are Expected to Go To Finals; Washington Champ Will Play Baltimoreans

The District games of the South Atlantic A. A. U. Championship Basketball Tournament, which opened last Wednesday night in the George Washington University Gymnasium, are well under way, and two teams on which G. W. men play have emerged victorious from the first rounds.

The George Washington University Gymnasium provides the teams with a chance to display their talent on a regulation floor. The George Washington court is recognized as one of the best floors in this vicinity, and has ample room for spectators.

Last Wednesday night, the Calvary M. E. team, champions of the D. C. Sunday School League, a team which has proved its ability against some of the best unlimited teams in this section, came from behind to defeat the Columbia Heights, Christian Church quintet, by a score of 48-17. There are two G. W. men on this team, Brown and Brumbaugh, who have played on Theta Delta Chi teams in the Interfraternity games.

G. W. Men Successful

Saturday night the Tacoma A. C. team set the American Railway Express five back by a 26-22 margin. There are four G. W. men on this team, Carey, Sapp, Toler and Wilkins. The first two were outstanding men on the successful G. W. five.

This tournament, as those who have followed it in the local papers probably know, is conducted by the Washington Post, in conjunction with the South Atlantic A. A. U. games in each of the 100 pound, 115 pound, 130, 145, and unlimited classes, are held each night during the week in the G. W. Gym. On Sunday some games are played as preliminaries to the professional league games at the Arcadia.

After the close of the local tournament, the teams that emerge from the finals, undefeated, will meet the Baltimore champions in each of their respective classes.

With six G. W. men on two teams of the unlimited class that are ready to go into the second rounds, representation from G. W. is practically assured.

The results for the games in each class last week were:

WEDNESDAY

Unlimited Class—Calvary M. E., 48; Columbia Heights, 17.
145 Pound Class—Arrows, 33; Aces, 21.
130 Pound Class—St. Martin's, 29; St. John's Celtics, 13.
115 Pound Class—Boys Club Standards, 27; Atlantics, 4.
100 Pound Class—Boys Club Optimists, 75; Rex, 1.

THURSDAY

130 Pound Class—Calvary Reds, 25; Wyoming Juniors, 6.
115 Pound Class—Aztecs, 21; St. Paul's, 18; Epiphany Chapel, 13; Kanawhas, 12.

FRIDAY

Unlimited Class—Bliss A. A., 50; Co. C, Dist. Nat. Gu., 17. Bond's Whirlwinds, 47; Capital A. C., 20.

THIRTY MEN OUT FOR TRACK DRILL

Local High Schools Well Represented Among Candidates Who Report

GOOD PROSPECTS VISIONED

First Meet of Season Will Be Inter-Class Track and Field Meet on April 16

Thirty men turned out for track workouts in the gym last Wednesday night, but because of the tournament games being played there that night no practice was held. Monday night, however, a larger number of athletes were on hand for the first actual drill of the season.

The local high schools are well represented among the candidates who have reported, and it is evident that Coach Tom Proby will have good material to choose from in the meets to be held this spring.

All men who are interested in track but who have not attended either of these workouts are reminded that another meeting of the squad will be held in the gymnasium tonight, with practice starting at 7 p. m. The indoor portable track will not be used this year, but some suitable outdoor track will be engaged for the practice.

First Meet April 16

Plans being made indicate that the first meet of the season will be the Inter-Class Track and Field Meet, which will be held on April 16. The seniors have won this event for the last three years. Catholic University will be met on May 7, while the Gallaudet trackmen are on the schedule for May 14. A triangular meet with Catholic University and Johns Hopkins is announced for May 21.

Since the entire cross country team is out for track, competition will be keen for the distance events, but there is great need for sprinters and field men.

EVA POPE MANAGER SORORITY BASKETBALL

At the recent election of the Pan-Hellenic Council, Eva Pope was elected as the manager of inter-sorority basketball. Although the schedule has not yet been drawn up the series will probably start very shortly.

Keen rivalry is expected between the various sororities and a very exciting season is expected. Gamma Beta Pi, which is a very strong contender for the cup, is sending a strong aggregation into the contest in an effort to retain the trophy.

Sororities who plan to enter are asked to notify Eva Pope, Phi Mu rooms.

145 Pound Class—Boys' Club Celtics, 50; Woodside, 10.
130 Pound Class—Boys' Club Flashers, 18; Cardinal Wonders, 8.
115 Pound Class—De Luxe, 24; St. Martin's, 7.

SATURDAY

Unlimited Class—Tacoma A. C., 26; Amer. Railway Express, 22.
145 Pound Class—Y. M. H. A., 35; Park View, 28. Collegian, 36; W. H. West, 24.
130 Pound Class—Tremonts, 30; Montrose, 29.
100 Pound Class—St. John's Victors, 47; Russell, 5.

PLANS ARE MADE FOR INTRAMURAL TRACK FESTIVAL

Annual Event Sponsored by G. W. Club Will Be Held April 16

INTER-GREEK RUNS ARE AMONG EVENTS SLATED

No Favorite For Men's High Point Winner Yet; Distance Competition Will Be Keen

George Washington University's Fourth Annual Inter-Class Track and Field Meet will be held at the Central High School Stadium on Saturday, April 16, 1927, under the auspices of the Men's G. W. Club. The first event of the meet will be run off promptly at 1:00 p. m.

The Men's G. W. Club, composed of major letter men of the University, inaugurated the Annual Inter-Class Meet in April, 1924, and since that year has proved such a decided success that it has become one of the most distinctive annual affairs of the University. President Lewis and other members of the faculty, many of whom act as judges for the various events, have taken an enthusiastic interest in the Inter-Class Meet.

Numerous track and field events are included in the meet for both men and women, bringing together in one big field day the greatest number of students assembled in a single athletic event during the year.

The G. W. Club expects to have a record number of entries this year, as the Inter-Class Meet has now become the outstanding class contest at the University. This class competition is given an incentive by the fact that to the class winning the meet goes the distinction of holding the now famous Louis A. Fischer Silver Memorial Trophy for a year. In addition, trophies and medals are also awarded to individual point winners.

There will be no outstanding high point winners of the varsity track (Continued on page 5)

COLONIAL RIFLEMEN DEFEAT GEORGETOWN

Two G. W. Teams Will Enter
Matches at New York Early
in April

Following a series of brilliant victories, the G. W. Men's Rifle team won further laurels in their defeat of Georgetown this week. This match was shot in the League A contest of the Inter-Collegiate competitions and the Colonials scored a victory of 1452 over the Hilltoppers, 1427.

Early in April a series of indoor matches will be shot in New York, in which two teams from G. W. will be entered. Following these matches a set of outdoor competitions will be held at the Naval Academy, at which time the regular service rifle will be used.

Navy, in addition to several other colleges, among them Maryland and Army, has been challenged for a shoulder-to-shoulder match, to be shot some time in April.

George Washington is going through a really unusual season of rifle shooting, having won to date nine of the ten matches shot.

The individual scores in the Georgetown match in which the five highest were counted are as follows:

Stand.	Kn'tg.	Pro.	Tot.
Strawbridge	97	99	295
R. A. Leighy	96	99	295
J. A. Plugge	89	99	288

COLONIAL FROSH END SEASON WITH TWO GAME LEAD

Win Eight, Lose Six, One Game
Still Held as Disputed

ALEXANDRIA HIGH TILT UPSETS CHAMPIONSHIP

Local Yearlings Play Fast Tilt
Against Catholic University
Youngsters

With a margin of two victories to its credit for the season, the Freshman court team has ended its schedule, the last game being that against the C. U. frosh as a preliminary to the memorable varsity battle. Out of 15 games played against some of the strongest local freshmen and high school quints, Coach Bland's yearlings won 8, lost 6 and are still wondering about the results of the Central High School game, which resulted in a mighty fine court battle, but a still better scorekeeper's contest. This has been recorded as a disputed game, with neither side willing to admit they lost.

The outstanding events of the Frosh season were the encounters against Alexandria High School and the C. U. Freshmen.

In the Alexandria game, the local yearlings succeeded in doubling the score against a team which up to that time had taken 10 in a row, and which is now battling for the Virginia scholastic championship. The score was 30-14, with a snappy brand of teamwork largely responsible for the result.

C. U. Game Peppy

The C. U. game was the most exciting of the season, both from the standpoint of players and spectators. Playing before a peppy gallery, the Frosh, rated as underdogs, made the Brookland first year team fight every inch of the way to gain a 29-27 decision. The season opened with a game against Western, with the latter team winning easily by a 58-16 count. Another defeat was the result when the Chevy Chase Centrals took a 23-15 verdict.

The first victory of the season was scored at the expense of the Friends School. Statistics on the final score are not available, but it is known that the Frosh scored at least 65 points. To make it three in a row, the yearlings defeated American U. Freshmen and the Central High reserves. Irving Breslow and Gene Wineland starred in these games, of which the scores were 34-12, 19-17, respectively.

Eastern Wins

Eastern broke the local winning streak by clearly outplaying the Frosh for a 36-17 count. After having a two-point lead at the half, the Mount Vernon Seniors were taken into camp by a belated Freshman rally, 34-26. The Woodward team of the Y. M. C. A. was a stumbling block, and advantage of better foul shooting to garner a 22-15 decision.

The yearling team regained its stride by decisively defeating the Alexandria boys in the local gym. The only extra period game of the season came in the same week as the only forfeited contest. Breslow scored the winning basket in the second extra period of play to trim Emerson Institute, 19-17. Catholic University Freshmen did not appear for their scheduled game, although the Frosh played a Brookland reserve team as a preliminary to the first Colonial-Cardinal fray.

Western scored a decisive victory, 37-19, in a game that was featured by the strong defensive work of the Frosh in the second half. The young Colonials scored a weird victory over the Leonardtown High School team, 15-13. The losers had 14 free shots at the basket but could only convert three of them into counters.

Then, as the climax to a successful season, Captain Schaffert's team, composed of Ford Young, Len Schaffert, Reds McQueen, Bobby Gray and Irving Breslow, fought from start to finish to lose the C. U. game by two points, which were scored in the final minute of play.

"How was the show last night?"
"Quite good. It made me think."
"Oh, one of those suggestive shows."

SLOW CLUB IS FORMED AT NORTHWESTERN U.

EVANSTON—Walter Martin, sports editor of the Daily Northwestern of Northwestern University, has been elected president of the Central Slow Club of Chicago, composed of young people who are tired of the present day round of drinking, petting, and fast living.

A Greek letter slow club has been formed at Northwestern, known as Sigma Phi Tau, and is sponsored by Sigma Delta Chi, professional journalistic fraternity.

At the first meeting of the Chicago Slow Club, nearly three hundred persons were present.

GOLF TOURNAMENT TO BEGIN ON MARCH 20TH

Captain of Team To Be Chosen
By Eliminations in Match
to Be Held

Beginning March 20th a tournament will be run under the auspices of the golf team. The tournament will be held over the East Potomac Golf Course. The first round will be eighteen holes of medal play. Then the contestants will be divided up into eights which will continue the tournament in match play.

The purpose of the tournament is two-fold. One reason for it is to get the men who are capable of representing the University on the golf links and the other is to choose a captain to lead the team. It is expected that there will be keen competition for this latter honor. Among the tryouts for this position are: Chas. Cole, Ralph Thrasher, John F. Brawner and other prospects.

The names of all contestants must be turned in at the Gymnasium on or before March 15, or sent in to Joe Bloom, 452 Newton Place, N. W.

It is essential that all men come out now who are interested in the game because the first match to be played will be against the University of Virginia at Charlottesville, Va., on April 3.

Following this match there will be successive matches with Georgetown, Catholic U. and Princeton.

RUTGERS GRID COACH SUES AFTER DISMISSAL

Colonials Will Play New Brunswick
Team Next Year

NEW BRUNSWICK—Jack Wallace, head football coach at Rutgers University since 1923, is suing the university for his recent dismissal. A three-year contract was signed by the university at the end of the 1924 season. He has retained counsel.

The President of the Athletic Council said that he knew nothing of the matter, except what he had read in the papers. Wallace said, "I've never had a decent break at Rutgers."

Rutgers University is one of the teams which will be met by the George Washington Colonials in football next fall.

GIRLS' SEXTET SPLITS EVEN IN TWO GAMES

(Continued from page 3)

At the start of the next period the Indianettes snapped into it and made basket after basket in spite of the clever guarding of Faunce and Hastings. Their coach had seemingly poured dynamite into them while the Hatchettes had lost their pep. It was a walk-away. The Virginians piled up 23 points against 4 for the Colonials, who still struggled valiantly on in a vain effort. At the final whistle the count was 31 to 13. William and Mary.

After leaving George Washington the Indianettes defeated Temple University and Drexel by decisive scores and ended their season without a defeat, having won all seven games on their schedule.

Box scores:
G. W. Pos. W. and M.
Ewers R. F. Stringfellow
Crumley L. F. DeShozo
Jackson J. C. Miles
Cate S. C. Wilkens
Hastings R. G. Cogle

Substitutions: Matthews for Crumley, Omwake for Jackson, Massey for Cate, Roberts for Stringfellow, Carter for Cogle. Goals: Ewers (2 twos), Crumley (2 twos, 1 one, 4 foul shots), Roberts (1 one, 1 foul shot), Stringfellow (4 twos, 2 ones, 2 foul shots), DeShozo (6 twos, 3 ones, 2 foul shots).

G. W. Pos. W. Maryland
Ewers R. F. Wilson
Crumley L. F. Rayne
Jackson J. C. Lauder
Cate S. C. Rosenstock
Faunce R. G. Smith
Hastings L. G. Wheeler

Substitutions: Matthews for Crumley, Omwake for Jackson, Massey for Cate, Tomlin for Faunce, Johnson for Lauder, and Brown for Wilson.

LOVING CUP WON BY KAPPA SIG IN BOWLING SERIES

Trophy Presented to Champion-
ship Team at Inter-
fraternity Prom

S. P. E. DOWNED IN FINAL MATCH OF TOURNAMENT

Winners Have Perfect Score in
Own League and Drop But
One Match in Series

Kappa Sigma was presented with a loving cup emblematic of the Interfraternity Bowling Championship at the Interfraternity Prom Saturday. This award came as the result of Kappa Sig's victory over Sigma Phi Epsilon in the final match of the bowling series, held at the Coliseum last Tuesday.

By virtue of defeating S. P. E. in the inter-league tilt, Kappa Sigma, already successful in every match in its own league, completed the season without the loss of a single match in the entire tournament, and with the dropping of two games out of the twelve which it has played.

Kappa Sigma pinspotters uncocked a bewildering series of strikes and spares to turn the S. P. E.'s back in the first session. Sapp, of Kappa Sig, rolled a total of 123 in the first round, and thereby set the highest score for the evening. His teammates upset enough maps to put the game on ice. Bennie Meeks topped 104, Charlie Birdseye, the captain, spilled 90, Bill Hamilton followed with 109, and George Riggs clinched matters with a 95 count.

Harold Willey led off with 100 for the S. P. E.'s. Leonard Jensen collected 90, Howard Eager, captain, rated 81, Harvard Osman, star for the losers contributed 114, and John Hyde finished the procession with 104.

The totals showed that Kappa Sig had a 32-point lead, the score being 521-489.

Second Game Thrilling

The second game was the hardest fought, and the most thrilling which this year's series has produced. Kappa Sig took the lead early when Henry Sapp turned in a 107 game, while Willey was able to spill only 96. When the next two men had finished their games, Kappa Sigma seemed to have the series tucked away, for Meeks rolled an even 100 to Jensen's 90 for Sigma Phi Epsilon.

S. P. E. rallied, however, in the next duel, and gained ground as Eager, their captain, rolled 92 against the opposing captain, Birdseye, who totaled but 83.

As the next two men sent the balls down the alleys, the rival cheering sections raised a terrific din, which grew steadily worse as Osmond downed 105 pins to 95 for Hamilton of Kappa Sigma, thus cutting the Kappa Sig lead down to one pin.

The last pair to roll took their time, and placed their shots well, but John Hyde had a bit the edge over George Riggs, and hung up a mark of 105, against which Riggs could place but 102. Thus Sigma Phi Epsilon took the second game by a margin of two points, 488-486.

Sapp Stars

In the final engagement, however, the S. P. E. machine broke down soon after the start, and while the rooters insisted on another rally, the question soon resolved itself into what the difference of the scores would be.

S. P. E.'s total for the last games were: Willey, 82; Jensen, 94; Eager, 84; Osmond, 103; and Hyde, 93. Kappa Sigma won handsily with the following scores: Sapp, 98; Meeks, 93; Birdseye, 100; Hamilton, 95; and Riggs, 108. The totals for the teams for the last game were, Sigma Phi Epsilon, 456; and Kappa Sigma, 494.

Henry Sapp of the victors, was the star of the evening, contributing a 328 set in addition to setting the high game mark. Harvard Osmond of S. P. E. was his closest rival, scoring 114, 105, and 103 for a set total of 322.

It is interesting to note that the bowling cup is the second athletic trophy to be won by Kappa Sigma this year, that fraternity having previously won the cup significant of the Interfraternity basketball championship.

"Section of fire escape on the girls' dormitory fell down—five fellows were hurt."

LEWIS GIVES BANQUET TO BASKETBALL TEAM

Affair at City Club is Attended by
Coaches, Managers, and Team;
Lewis Speaks

The Men's Varsity basketball team and their coaches were the guests of honor at an informal dinner tendered them by President William Mather Lewis at the University Club last Monday evening.

The donor of the dinner, who was likewise the principal speaker of the evening, praised the team for its successful season and for its fighting spirit. President Lewis pointed out that despite reverses early in the season, the quint had been able to break its losing streak and finish the year with more victories than defeats. The speaker attributed the 'Colonials' wins over the American University and Catholic U. to the fighting spirit which characterizes the teams representing the University.

Dr. Daniel C. Borden, of the Medical School, was the only other faculty speaker of the evening. His talk was one which expressed the regret of the University and its students at the resignation of President Lewis.

Coach H. Watson Crum, Coach Jimmy Lemon, Captain Fred Wallace, and Manager George Schwin were called upon for brief speeches during the course of the dinner.

Those present included the President, the coaches, the manager, and the members of the basketball team.

NEW RECORD SCORED BY GIRLS' RIFLE TEAM

Shot Nine "Possibles" and One "99"
to Defeat U. of Washington,
500 to 497

Establishing a record for marks-women the Buff and Blue Co-eds scored 999 out of a possible 1000 in a match against the University of Washington on Saturday, with the five high targets counting, giving them a 500-to-497 victory.

The University of Washington held the National Intercollegiate Championship for two successive years, thereby making this a more than ordinary victory. The team showed the same form that it has been exhibiting for the past few weeks making the prospects for the two shoulder-to-shoulder matches on March 26, vs. Drexel Institute, and April 2, vs. University of Maryland, very bright.

Freshmen Do Well

The scores were as follows: Verna Parsons, 100; Grace McLean, 100; Helen Taylor, 100; Helen Prentiss, 100; Betty Clark, 100; Marjorie Folsom, 100; Mae Huntzberger, 100; Ermytrude Valden, 100, and Katherine Shoemaker, 99.

Verna Parsons and Grace McLean, both of them freshmen, showed up unusually well and should be mainstays of the team next year.

Next week the team faces against the University of Maine and Keene Normal School.

Gamma Eta Zeta Holds Annual Banquet

Nine Girls are Initiated Into Professional Journalistic Sorority at Same Time

Gamma Eta Zeta, professional journalistic sorority of the University, held its initiation on March 9, at Pierre's. The initiation was followed by the annual banquet in honor of the new members.

President and Mrs. Lewis, Secretary and Mrs. Kayser, and Mr. and Mrs. Daniel C. Chace were the guests of honor. President Lewis, Mr. Kayser, and Mr. Chace spoke, and Mrs. Lewis consented to say a few words to the girls.

Nine girls, who have done outstanding work in journalism at George Washington, were initiated into Gamma Eta Zeta. The new initiates are: Julia Denning, Dorothy Dougherty, Ellen Gardner, Ruth Greenwood, Patty Ann Jamison, Ann McCorkle, Emily Pilkinton, Emyrtrude Vaiden, and Elizabeth Wiltbank.

Each of the girls was given two minutes to tell of her trials and tribulations in the attainment of honor and recognition in the field of journalism in the University.

FAMOUS LINGUIST TO SPEAK TODAY

Helen Eaton of Paris Will Speak in Corcoran Hall

ARTIFICIAL SPEECH TOPIC

Lecture Held Under Auspices of International Auxiliary Language Body

Helen S. Eaton, diplomate, Sorbonne, University of Paris, will be the speaker at a meeting for the discussion of "The Educational Value of an Artificial Language" which will be held in Corcoran Hall, Room 15, starting at 8:15 o'clock this evening. It is held under the auspices of the International Auxiliary Language Association. The speaker was formerly teacher of French in Milton Academy, Milton, Mass., and is linguistic research assistant to the International Auxiliary Language Association. The meeting is the outcome of a growing interest among educators in the pedagogical value of teaching an artificial language as a basis for language study. It is claimed that the value of this method lies in the absolute regularity of the grammar of such a language, which enables the pupil to grasp grammatical concepts without confusing him with exceptions.

Value of Language
Such a language of Latin-derivation is claimed to be best suited to the purpose, because of the benefits in connection with the vocabulary in Latin, English and the Romance Languages. Experiments with such language have been conducted in a large number of schools of Europe and some are now being made in private secondary schools in this country.

It is the purpose of this meeting to present to a Washington audience the question of the educational value of the use of such a language in the schools throughout the country. Prof. Henry Gratton Doyle, of the Language Department of the University, heads the committee in charge of the affair as chairman. Other members of the committee are: Dr. Frederick G. Cottrell, Director, Fixed Nitrogen Laboratory; J. David Thompson, Executive Secretary, American National Committee on International Intellectual Cooperation; Mrs. Anson Phelps Stokes; Miss Jessie MacDonald, National Cathedral School; and Stanwood Cobb, Chevy Chase Country Day School.

THIRTEEN SUSPENDED FOR GAMBLING AT N. C. U.

CHAPEL HILL—The action of the Student Council at the university of North Carolina in suspending thirteen students for gambling has been the subject of much comment, and the president of the Student Council has granted an appeal to several of the suspended students. The students desiring an appeal maintain that the real issue involves an interpretation of the honor system.

The information leading to the drastic action on the part of the Student Council was supposedly given in secret by a disgruntled party, and the indictment of the thirteen students under such a condition is looked upon with disfavor by the entire student body.

Speakers of France And Belgium to Talk

Mme. Marie de Stein and Prof. Henri Fredericq To Give Lectures Soon

Announcements of speeches of interest as scheduled for the near future list Professor Henri Fredericq of Belgium for March 21st and Mme. Marie de Mare Stein of France for April 4, 6, and 8.

Professor Henri Fredericq, professor of physiology of the University of Liege, will deliver a lecture in Corcoran Hall on March 21st, at 8 o'clock on "Humoral Transmission of Nervous Action." Dr. Fredericq as well as holding the chair professor of physiology, is director of the Institute of physiology, and visiting professor to America for the University of Liege.

Mme. Marie de Mare Stein is scheduled for a course of three lectures on the dates of April 4, 6 and 8 in Corcoran Hall at 8 o'clock in the afternoon. Mme. Stein has recently lectured on the coast and at Chicago. Her lectures are on "Frenchwomen" and comprise talks on "Mme. de Pompadour to Marie Antoinette," "The Empress Josephine to the Empress Eugenia," and "Frenchwomen of the Court Today."

PLANS ARE MADE FOR CLASS TRACK FESTIVAL

(Continued from page 3)
team competing this year, such as Tolson, Simmons, Nichols, Loehler and Aaronson of 1924, 1925 and 1926. In the distance events, however, will be seen such cinder path stars as Captain Hurd Willett, Domigan, Baker and Pomeroy.

The following events will be included in this year's meet: Men (open)—100, 220, and 440-yard dashes; 880, mile and two-mile runs; running broad jump; running high jump; shot put, pole vault, and the javelin and discus throw. Men (closed): 50, 100 and 220 yard dashes, and 600-yard run. Women: 50, 70 and 100 yard dashes; shot put; running high jump; broad jump; and discus throw. Feature events: Inter-Sorority Quarter-Mile and Inter-Fraternity Half-Mile Relay Races.

Entry blanks and rules for the Inter-Class Meet will be posted on the various University bulletin boards within the next few days. Entry blanks should be filled in as soon as possible and forwarded to Harold Young, President of the G. W. Club, 1822 Eye Street N. W. No student will be permitted to enter any event until he has prepared an entry blank. This can be done the day of the meet, but difficulty will be avoided if entry blanks are filled in and mailed to the President of the G. W. Club as directed.

Fischer Trophy Up
The Louis A. Fischer Memorial Trophy, donated in 1924 by friends of the late Louis A. Fischer, will go to the class winning the greatest number of points in the Inter-Class Meet. This trophy was won in 1924 and 1925 by the Senior Class and in 1926 by the Sophomore Class. Silver cups will be awarded to the men and women individual high point winners of the meet. The Thomas F. Probey Trophy is awarded annually to the high point winner in the men's events. The Women's G. W. Club Trophy goes to the high point winner in the women's events.

The Men's Point Trophy was won by Hillary A. Tolson in 1924, by John Loehler in 1925 and by Emmanuel Aaronson in 1926, while the Women's Point Trophy was won by Beatrice Woodford (Mrs. Arthur Crocker) in 1924, and by Leah Cate in 1925 and 1926. The former is an outright award and the latter a three-year trophy.

Gold, silver, and bronze medals will also be awarded by the Men's G. W. Club to second, third and fourth point winners in the "open" and women's events. Gold, silver and bronze medals will also be awarded to the first, second and third point winners in the Men's "closed" events. Fourth, fifth and sixth places in the "open" events will count 2, 1 and 1/2 points, respectively, for men trying for the "closed" events medals, that is, men who have not won letters in track.

Relay Cups

In addition to these medals every contestant who places first in any event but who does not receive a point medal will be awarded a bronze medal by the Men's G. W. Club. The winners of the mile and two-mile runs will also be awarded bronze medals.

The Inter-Fraternity Relay Cup, donated by H. W. Crum, Director of Athletics, and won by Sigma Alpha Epsilon in 1924, Sigma Phi Epsilon in 1925, and Sigma Nu in 1926, will be awarded to the fraternity team winning the Inter-Fraternity Relay Race. The Inter-Sorority Relay Cup, donated by the Pan-Hellenic Council, and won by Chi Omega in 1924 and 1925, and Kappa Delta in 1926, will go to the sorority winning the Inter-Sorority Relay Race. Several fraternities and sororities already have their teams in training for these relay races in which there has always been the keenest rivalry and enthusiasm.

"COMMANDMENTS" ISSUE AT COLUMBIAN DEBATE

"Resolved: That the Ten Commandments are passe," was the subject of debate at the regular weekly meeting of the Columbian Debating Society held in Corcoran Hall last Friday night.

The affirmative of the question was argued by Dinibetz, while Slaughters upheld the negative of the issue. After the debate the meeting was thrown into an open forum and the members expressed their opinion on the subject.

Some discussion concerning future meetings issued and programs were planned for several weeks ahead.

LITTLE THEATRE WILL OPEN SOON

University Drama Students Are Offered Opportunity To Study Art of Movies

G. W. STUDENT MANAGER

Theatre is Dedicated to the Intelligent Movie-goers; Is Now Being Remodeled

Students of the various dramatic courses at George Washington will have an opportunity to study the art of the worth-while moving picture and the latest aesthetic developments of the films upon the opening late this month of the Little Theatre between F and G on Ninth Street. It was announced yesterday. The theatre will be under the management of John Dean ("Jack") Milligan, a George Washington student, who was formerly editor of the dramatic column of the Hatchet.

Dedicated to the intelligent movie-goer, and in no way a commercial proposition, the new house of the Motion Picture Guild will present principally great foreign productions that do not secure general showings because of their cost and the limited public which they interest. The Guild is formulating plans to help students of the theatre at George Washington to study the history and making of the better class films.

To Be Distinctive

Anyone who has seen the few productions of the famous UFA organization that have obtained general release, such as "The Last Laugh," "Faust," and other Emil Jannings pictures, will understand that they are to the average American movie as Shakespeare is to Anne Nichols. The Guild believes that it is time that the superior picture be recognized and studied, and will present many productions better than the ones mentioned above.

The theatre itself will be the most distinctive and interesting in the country. It will be entirely different from the usual "cinema sink," as George Jean Nathan calls them, with no screaming posters, large electric signs, tawdy and gaudy decorations, and "presentations." Seating only 225, and with roomy chairs, there will be almost twice the usual space between the rows. All display will be sacrificed to comfort and to the picture on the screen.

The auditorium will be dark and dignified, and a large lounge, equipped with many easy chairs, and free coffee, cigarettes, magazines, and candy, will be at the disposal of the patrons. The admission price will allow the Guild to break even on the expense, being only 35c in the afternoon and 50c at night.

HELEN DIX IS ELECTED Y. W. C. A. PRESIDENT

Other Officers Named Are Anne McCorkle, Louise DuBose and Louise Omwake

Voting for next year's officers of the Y. W. C. A., which was held in Corcoran Hall on March 3, resulted in the election of Helen Dix as president; Anne McCorkle, vice president; Louise DuBose, secretary; and Louise Omwake as treasurer. The officers were elected by unanimous vote.

Helen Dix this year managed the "County Fair," given each fall by the Y. W. C. A., aided by the honor societies and sororities, and also was treasurer this year. Anne McCorkle was chairman of membership, and has worked on other committees.

Louise DuBose was chairman of Social Service, and has been prominent for her work in connection with the Christmas stockings, which the George Washington Y. W. C. A. presents each year to a local hospital. Louise Omwake has acted as secretary this year, and has shown her ability as treasurer in other organizations. The new officers, with a committee formed of the old officers and chairmen, will continue as a cabinet, until the beginning of next year, when new chairmen will be appointed.

The Y. W. C. A. will meet tomorrow for the first time under the new officers, in Corcoran Hall, Room 17. Plans for raising money by selling candy will be brought up at that time.

MEN'S GLEE CLUB ON WRC RADIO PROGRAM

The George Washington Glee Club broadcast its first program of the year from Station WRC on last Wednesday from nine to ten o'clock.

On the fourteenth of this month the club will appear with the Glee Club of the University of Missouri at its concert and dance at the Hotel Washington.

The club will also sing at the Lafayette Masonic Lodge on March the seventeenth, and the Raleigh Hotel on the twenty-fifth of March.

The Glee Club will give its dance at the Wardman Park Saddle Club on April first.

BILL HUGHES DISPLAYS AT THE CO-OP STORE

Bill Hughes, student, who is the G. W. U. agent for the Edward Clothing Company, of Philadelphia, has transferred his display to the Co-op Store, corner 20th and H Streets. Hughes has been meeting his customers in the gymnasium every Friday afternoon during the year, and he will now be at the Co-op Store at the same time. Use of the gymnasium by the various athletic functions necessitated the change.

Ninety Per Cent Work Way at Ohio State

General Survey of Student Employment Discloses Many Fields For Earning Tuition

COLUMBUS—Ninety per cent of the men students at Ohio State University work their way through school in whole or in part, a survey of student employment discloses. Three men in every five work during the school year to help support themselves, and one in every twenty earns enough during the school year to maintain himself in addition to carrying his school work.

The most common form of such endeavor includes waiting on table and washing dishes for fraternities, sororities and in restaurants. Next in number are odd jobs such as housework, tending furnaces, and clerking in stores. Some of the other occupations include taxi driving, playing in orchestras, stenography, cooking, social service work and the like, while some go so far as to preach from the pulpit and act as professional pallbearers.

The women students are engaged in such lines as tea-room work, stenography, companions for the sick and in dietetic work in hospitals.

ONE-FIFTH CO-EDS WORK

BLOOMINGTON, Ind.—One-fifth of the co-eds of Indiana University or 285, are self-helping, it has been found by a check of records at the office of the Dean of Women. Ten per cent of the women at De Pauw, and thirty per cent of those at Butler support themselves, in part, at least, the American Association of University Women announces.

GRADUATE ENDOWMENT COMMITTEE TO MEET

Plans For Spring Campaign Will Be Formulated by 1927 Committee Today

A meeting of the 1927 Graduate Endowment Committee will be held today to make plans for the campaign this spring. The committee consists of the presidents of the senior classes, and is presided over by Henry James, President of the Senior Engineering class. Each college will have two or more representatives on the committee.

Prof. Arthur Johnson is the chairman of the Board of Trustees of the Endowment Fund. The Alumni members on the campus, Dean Rose, Miss Kinnannon, Miss Jones, and Prof. Johnson have pledged their assistance to the fund.

The plan of the Endowment is to have each senior voluntarily sign a pledge at the time of his graduation which will be payable each year. Eventually this should become a tradition which each senior would carry out as a matter of pride in his University.

The money cannot be used until there is a sum of \$100,000. There will be various uses for the fund, including the building of new units, repairs, library and laboratory equipment.

No matter how high-hat
a pipe may be...

MAYBE you know some old fogey who owns one of these ultra high-hat pipes... a blotto bimbo who broadcasts a line of "broad-A" lingo: "cawn't enjoy tobacco that costs less than two bucks the ounce"... Well, paste this bit of news in the old boy's stove-pipe:

In picking pipe-tobacco forget price ENTIRELY... draw your own conclusions through the stem of your trusty pipe. Draw deep from a bowlful of grand old Granger Rough Cut and learn that there's ONE truly fine tobacco that DOESN'T cost a fortune.

Here's tobacco as fine as any man ever packed in his pipe... Granger is made for pipes and cut for pipes—it SMOKES like a million dollars! But the pocket-package is a foil-pouch (instead of a costly tin) and so, it SELLS at just ten cents.

It's tobacco worthy of the "dawgiest" meerschaum or calabash... tobacco worthy of any pipe in the world!

GRANGER ROUGH CUT

The half-pound vacuum tin is forty-five cents, the foil-pouch package, sealed in glassine, is ten cents.

Made for pipes only!

Granger Rough Cut is made by the Liggett & Myers Tobacco Company

COLONIAL RIFLEMEN DEFEAT GEORGETOWN

Two G. W. Teams Will Enter
Matches at New York Early
in April

Following a series of brilliant victories, the G. W. Men's Rifle team won further laurels in their defeat of Georgetown this week. This match was shot in the League A contest of the Inter-Collegiate competitions and the Colonials scored a victory of 1452 over the Hilltoppers' 1427.

Early in April a series of indoor matches will be shot in New York, in which two teams from G. W. will be entered. Following these matches a set of outdoor competitions will be held at the Naval Academy, at which time the regular service rifle will be used.

Navy, in addition to several other colleges, among them Maryland and Army, has been challenged for a shoulder-to-shoulder match, to be shot some time in April.

George Washington is going through a really unusual season of rifle shooting, having won to date nine of the ten matches shot.

The individual scores in the Georgetown match in which the five highest were counted are as follows:

Stand.	Kn'tg.	Pro.	Tot.
Strawbridge	97	99	99
R. A. Leigh	96	99	100
J. A. Plugge	89	99	100
G. B. Campbell	95	95	99
H. E. Riley	93	94	100
F. T. Parsons	90	96	100
R. G. Radue	90	93	97
S. Prentiss	87	93	100
W. Lane	84	96	100
W. Isham	85	93	99

G. W. DEBATING TEAMS WILL ACT AS JUDGES

Debaters from the George Washington Men's and Women's teams will act as judges in the Oratorical contest to decide the supremacy between Holton Arms, Friends School, and Woodward School for Boys. The contest will be held on April 9 in Corcoran Hall. Members of Delta Sigma Rho will also be among the judges.

COLONIAL FROSH END SEASON WITH TWO GAME LEAD

Win Eight, Lose Six, One Game
Still Held as Dis-
puted

ALEXANDRIA HIGH TILT UPSETS CHAMPIONSHIP

Local Yearlings Play Fast Tilt
Against Catholic University
Youngsters

With a margin of two victories to its credit for the season, the Freshman court team has ended its schedule, the last game being that against the C. U. frosh as a preliminary to the memorable varsity battle. Out of 15 games played against some of the strongest local freshmen and high school quints, Coach Bland's yearlings won 8, lost 6 and are still wondering about the results of the Central High School game, which resulted in a mighty fine court battle, but a still better scorekeeper's contest. This has been recorded as a disputed game, with neither side willing to admit they lost.

The outstanding events of the Frosh season were the encounters against Alexandria High School and the C. U. Freshmen.

In the Alexandria game, the local yearlings succeeded in doubling the score against a team which up to that time had taken 10 in a row, and which is now battling for the Virginia scholastic championship. The score was 30-14, with a snappy brand of teamwork largely responsible for the result.

C. U. Game Peppy

The C. U. game was the most exciting of the season, both from the standpoint of players and spectators. Playing before a peppy gallery, the Frosh, rated as under-dogs, made the Brookland first year team fight every inch of the way to gain a 23-27 decision. The season opened with a game against Western, with the latter team winning easily by a 58-16 count. Another defeat was the result when the Chevy Chase Centrals took a 23-15 verdict.

The first victory of the season was scored at the expense of the Friends School. Statistics on the final score are not available, but it is known that the Frosh scored at least 65 points. To make it three in a row, the yearlings defeated American U. Freshmen and the Central High reserves, Irving Breslow and Gene Wineland starred in these games, of which the scores were 34-12, 19-17, respectively.

Eastern Wins

Eastern broke the local winning streak by clearly outplaying the Frosh for a 36-17 count. After having a two-point lead at the half, the Mount Vernon Seniors were taken into camp by a belated Freshman rally, 34-26. The Woodward team of the Y. M. C. A. was a stumbling block, and advantage of better foul shooting to garner a 22-15 decision.

The yearling team regained its stride by decisively defeating the Alexandria boys in the local gym. The only extra period game of the season came in the same week as the only forfeited contest. Breslow scored the winning basket in the second extra period of play to trim Emerson Institute, 19-17. Catholic University Freshmen did not appear for their scheduled game, although the Frosh played a Brookland reserve team as a preliminary to the first Colonial-Cardinal fray.

Western scored a decisive victory, 37-19, in a game that was featured by the strong defensive work of the Frosh in the second half. The young Colonials scored a weird victory over the Leonardtown High School team, 15-13. The losers had 14 free shots at the basket but could only convert three of them into counters.

Then, as the climax to a successful season, Captain Schaffert's team, composed of Ford Young, Len Schaffert, Reds McQueen, Bobby Gray and Irving Breslow, fought from start to finish to lose the C. U. game by two points, which were scored in the final minute of play.

"How was the show last night?"
"Quite good. It made me think."
"Oh, one of those suggestive shows."

SLOW CLUB IS FORMED AT NORTHWESTERN U.

EVANSTON—Walter Martin, sports editor of the Daily Northwestern of Northwestern University, has been elected president of the Central Slow Club of Chicago, composed of young people who are tired of the present day round of drinking, petting, and fast living.

A Greek letter slow club has been formed at Northwestern, known as Sigma Phi Tau, and is sponsored by Sigma Delta Chi, professional journalistic fraternity.

At the first meeting of the Chicago Slow Club, nearly three hundred persons were present.

GOLF TOURNAMENT TO BEGIN ON MARCH 20TH

Captain of Team To Be Chosen
By Eliminations In Match
to Be Held

Beginning March 20th a tournament will be run under the auspices of the golf team. The tournament will be held over the East Potomac Golf Course. The first round will be eighteen holes of medal play. Then the contestants will be divided up into eights which will continue the tournament in match play.

The purpose of the tournament is two-fold. One reason for it is to get the men who are capable of representing the University on the golf links and the other is to choose a captain to lead the team. It is expected that there will be keen competition for this latter honor. Among the tryouts for this position are: Chas. Cole, Ralph Thrasher, John E. Brawner and other prospects.

The names of all contestants must be turned in at the Gymnasium on or before March 18, or sent in to Joe Bloom, 452 Newton Place, N. W.

It is essential that all men come out now who are interested in the game because the first match to be played will be against the University of Virginia at Charlottesville, Va., on April 3.

Following this match there will be successive matches with Georgetown, Catholic U. and Princeton.

RUTGERS GRID COACH SUES AFTER DISMISSAL

Colonials Will Play New Brunswick
Team Next Year

NEW BRUNSWICK—Jack Wallace, head football coach at Rutgers University since 1923, is suing the university for his recent dismissal. A three-year contract was signed by the university at the end of the 1924 season. He has retained counsel.

The President of the Athletic Council said that he knew nothing of the matter, except what he had read in the papers. Wallace said, "I've never had a decent break at Rutgers."

Rutgers University is one of the teams which will be met by the George Washington Colonials in football next fall.

GIRLS' SEXTET SPLITS EVEN IN TWO GAMES

(Continued from page 3)

At the start of the next period the Indianettes snapped into it and made basket after basket in spite of the clever guarding of Faunce and Hastings. Their coach had seemingly poured dynamite into them while the Hatchettes had lost their pep. It was a walk-away. The Virginians piled up 23 points against 4 for the Colonials, who still struggled valiantly on in a vain effort. At the final whistle the count was 31 to 13, William and Mary.

After leaving George Washington the Indianettes defeated Temple University and Drexel by decisive scores and ended their season without a defeat, having won all seven games on their schedule.

LOVING CUP WON BY KAPPA SIG IN BOWLING SERIES

Trophy Presented to Champion-
ship Team at Inter-
fraternity Prom

S. P. E. DOWNED IN FINAL MATCH OF TOURNAMENT

Winners Have Perfect Score in
Own League and Drop But
One Match in Series

Kappa Sigma was presented with a loving cup emblematic of the Interfraternity Bowling Championship at the Interfraternity Prom Saturday. This award came as the result of Kappa Sig's victory over Sigma Phi Epsilon in the final match of the bowling series, held at the Coliseum last Tuesday.

By virtue of defeating S. P. E. in the inter-league tilt, Kappa Sigma, already successful in every match in its own league, completed the season without the loss of a single match in the entire tournament, and with the dropping of two games out of the twelve which it has played.

Kappa Sigma pinsplitters uncorked a bewildering series of strikes and spares to turn the S. P. E.'s back in the first session. Sapp, of Kappa Sig, rolled a total of 123 in the first round, and thereby set the highest score for the evening. His teammates upset enough maples to put the game on ice. Bennie Meeks topped 104, Charlie Birdseye, the captain, spilled 90, Bill Hamilton followed with 109, and George Riggs clinched matters with a 95 count.

Harold Willey led off with 100 for the S. P. E.'s, Leonard Jensen collected 90, Howard Eager, captain, rolled 81, Harvard Osman, star for the losers contributed 114, and John Hyde finished the procession with 104.

The totals showed that Kappa Sig had a 32-point lead, the score being 521-489.

Second Game Thrilling

The second game was the hardest fought, and the most thrilling which this year's series has produced. Kappa Sig took the lead early when Henry Sapp turned in a 107 game, while Willey was able to spill only 96. When the next two men had finished their games, Kappa Sigma seemed to have the series tucked away, for Meeks rolled an even 100 to Jensen's 90 for Sigma Phi Epsilon.

S. P. E. rallied, however, in the next duel, and gained ground as Eager, their captain, rolled 92 against the opposing captain, Birdseye, who totaled but 83.

As the next two men sent the balls down the alleys, the rival cheering sections raised a terrific din, which grew steadily worse as Osmond downed 105 pins to 95 for Hamilton of Kappa Sigma, thus cutting the Kappa Sig lead down to one pin.

The last pair to roll took their time, and placed their shots well, but John Hyde had a bit the edge over George Riggs, and hung up a mark of 105, against which Riggs could place but 102. Thus Sigma Phi Epsilon took the second game by a margin of two points, 488-486.

Sapp Stars

In the final engagement, however, the S. P. E. machine broke down soon after the start, and while the rooters insisted on another rally, the question soon resolved itself into what the difference of the scores would be.

S. P. E.'s total for the last games were: Willey, 82; Jensen, 94; Eager, 84; Osmond, 103; and Hyde, 93. Kappa Sigma won handsily with the following scores: Sapp, 98; Meeks, 93; Birdseye, 100; Hamilton, 95; and Riggs, 108. The totals for the teams for the last game were, Sigma Phi Epsilon, 456; and Kappa Sigma, 494.

Henry Sapp of the victors, was the star of the evening, contributing a 328 set in addition to setting the high game mark. Harvard Osmond of S. P. E. was his closest rival, scoring 114, 105, and 103 for a set total of 322.

It is interesting to note that the bowling cup is the second athletic trophy to be won by Kappa Sigma this year, that fraternity having previously won the cup significant of the interfraternity basketball championship.

"Section of fire escape on the girls' dormitory fell down—five fellows were hurt."

LEWIS GIVES BANQUET TO BASKETBALL TEAM

Affair at City Club is Attended by
Coaches, Managers, and Team;
Lewis Speaks

The Men's Varsity basketball team and their coaches were the guests of honor at an informal dinner tendered them by President William Mather Lewis at the University Club last Monday evening.

The donor of the dinner, who was likewise the principal speaker of the evening, praised the team for its successful season and for its fighting spirit. President Lewis pointed out that despite reverses early in the season, the quint had been able to break its losing streak and finish the year with more victories than defeats. The speaker attributed the Colonials' wins over the American University and Catholic U. to the fighting spirit which characterizes the teams representing the University.

Dr. Daniel C. Borden, of the Medical School, was the only other faculty speaker of the evening. His talk was one which expressed the regret of the University and its students at the resignation of President Lewis.

Coach H. Watson Crum, Coach Jimmy Lemon, Captain Fred Wallace, and Manager George Schwin were called upon for brief speeches during the course of the dinner.

Those present included the President, the coaches, the manager, and the members of the basketball team.

NEW RECORD SCORED BY GIRLS' RIFLE TEAM

Shot Nine "Possibles" and One "99"
to Defeat U. of Washington,
500 to 497

Establishing a record for marks-women the Buff and Blue Coeds scored 999 out of a possible 1000 in a match against the University of Washington on Saturday, with the five high targets counting, giving them a 500-to-497 victory.

The University of Washington held the National Intercollegiate Championship for two successive years, thereby making this a more than ordinary victory. The team showed the same form that it has been exhibiting for the past few weeks making the prospects for the two shoulder-to-shoulder matches on March 26, vs. Drexel Institute, and April 2, vs. University of Maryland, very bright.

Freshmen Do Well

The scores were as follows: Verna Parsons, 100; Grace McLean, 100; Helen Taylor, 100; Helen Prentiss, 100; Betty Clark, 100; Marjorie Folsom, 100; Mae Huntzberger, 100; Ermytrude Valden, 100, and Katherine Shoemaker, 99.

Verna Parsons and Grace McLean, both of them freshmen, showed up unusually well and should be mainstays of the team next year.

Next week the team fires against the University of Maine and Keene Normal School.

Gamma Eta Zeta Holds Annual Banquet

Nine Girls are Initiated Into Professional Journalistic Sorority at Same Time

Gamma Eta Zeta, professional journalistic sorority of the University, held its initiation on March 9, at Pierre's. The initiation was followed by the annual banquet in honor of the new members.

President and Mrs. Lewis, Secretary and Mrs. Kayser, and Mr. and Mrs. Daniel C. Chace were the guests of honor. President Lewis, Mr. Kayser, and Mr. Chace spoke, and Mrs. Lewis consented to say a few words to the girls.

Nine girls, who have done outstanding work in journalism at George Washington were initiated into Gamma Eta Zeta. The new initiates are: Julia Denning, Dorothy Dougherty, Eileen Gardner, Ruth Greenwood, Patty Ann Jamison, Ann McCorkle, Emily Pilkinton, Ermystrude Valden, and Elizabeth Wilbank.

Each of the girls was given two minutes to tell of her trials and tribulations in the attainment of honor and recognition in the field of journalism in the University.

FAMOUS LINGUIST TO SPEAK TODAY

Helen Eaton of Paris Will Speak in Corcoran Hall

ARTIFICIAL SPEECH TOPIC

Lecture Held Under Auspices of International Auxiliary Language Body

Helen S. Eaton, diplomée, Sorbonne, University of Paris, will be the speaker at a meeting for the discussion of "The Educational Value of an Artificial Language" which will be held in Corcoran Hall, Room 15, starting at 8:15 o'clock this evening. It is held under the auspices of the International Auxiliary Language Association. The speaker was formerly teacher of French in Milton Academy, Milton, Mass., and is linguistic research assistant to the International Auxiliary Language Association. The meeting is the outcome of a growing interest among educators in the pedagogical value of teaching an artificial language as a basis for language study. It is claimed that the value of this method lies in the absolute regularity of the grammar of such a language, which enables the pupil to grasp grammatical concepts without confusing him with exceptions.

Value of Language

Such a language of Latin derivation is claimed to be best suited to the purpose, because of the benefits in connection with the vocabulary in Latin, English and the Romance Languages. Experiments with such a language have been conducted in a large number of schools of Europe and some are now being made in private secondary schools in this country.

It is the purpose of this meeting to present to a Washington audience the question of the educational value of the use of such a language in the schools throughout the country.

Prof. Henry Gratton Doyle, of the Language Department of the University, heads the committee in charge of the affair as chairman. Other members of the committee are: Dr. Frederick G. Cottrell, Director, Fixed Nitrogen Laboratory; J. David Thompson, Executive Secretary, American National Committee on International Intellectual Cooperation; Mrs. Anson Phelps Stokes; Miss Jessie MacDonald, National Cathedral School; and Steward Cobb, Chevy Chase Country Day School.

THIRTEEN SUSPENDED FOR GAMBLING AT N. C. U.

CHAPEL HILL—The action of the Student Council at the university of North Carolina in suspending thirteen students for gambling has been the subject of much comment, and the president of the Student Council has granted an appeal to several of the suspended students. The students desiring an appeal maintain that the real issue involves an interpretation of the honor system.

The information leading to the drastic action on the part of the Student Council was supposedly given in secret by a disgruntled party, and the indictment of the thirteen students under such a condition is looked upon with disfavor by the entire student body.

Speakers of France And Belgium to Talk

Mme. Marie de Stein and Prof. Henri Fredericq To Give Lectures Soon

Announcements of speeches of interest as scheduled for the near future list Professor Henri Fredericq of Belgium for March 21st and Mme. Marie de Mare Stein of France for April 4, 6, and 8.

Professor Henri Fredericq, professor of physiology of the University of Liege, will deliver a lecture in Corcoran Hall on March 21st, at 8 o'clock on "Humoral Transmission of Nervous Action." Dr. Fredericq, as well as holding the chair professor of physiology, is director of the Institute of physiology, and visiting professor to America for the University of Liege.

Mme. Marie de Mare Stein is scheduled for a course of three lectures on the dates of April 4, 6 and 8 in Corcoran Hall at 3 o'clock in the afternoon. Mme. Stein has recently lectured on the coast and at Chicago. Her lectures are on "Frenchwomen" and comprise talks on "Mme. de Pompadour to Marie Antoinette," "The Empress Josephine to the Empress Eugénie," and "Frenchwomen of the Court Today."

PLANS ARE MADE FOR CLASS TRACK FESTIVAL

(Continued from page 3)

team competing this year, such as Tolson, Simmons, Nichols, Loehrer and Aaronson of 1924, 1925 and 1926. In the distance events, however, will be seen such cinder path stars as Captain Hurd Willett, Domigan, Baker and Pomeroy.

The following events will be included in this year's meet: Men (open): 100, 220, and 440-yard dashes; 880, mile and two-mile runs; running broad jump; running high jump; shot put, pole vault, and the javelin; and discus throws. Men (closed): 50, 100 and 220 yard dashes, and 600-yard run. Women: 50, 70 and 100 yard dashes; shot put; running high jump; broad jump; and discus throw. Feature events: Inter-Sorority Quarter-Mile and Inter-Fraternity Half-Mile Relay Races.

Entry blanks and rules for the Inter-Class Meet will be posted on the various University bulletin boards within the next few days. Entry blanks should be filled in as soon as possible, and forwarded to Harold Young, President of the G. W. Club, 1822 Eye Street N. W. No student will be permitted to enter any event until he has prepared an entry blank. This can be done the day of the meet, but difficulty will be avoided if entry blanks are filled in and mailed to the President of the G. W. Club as directed.

Fischer Trophy Up

The Louis A. Fischer Memorial Trophy, donated in 1924 by friends of the late Louis A. Fischer, will go to the class winning the greatest number of points in the Inter-Class Meet. This trophy was won in 1924 and 1925 by the Senior Class and in 1926 by the Sophomore Class. Silver cups will be awarded to the men and women individual high point winners of the meet. The Thomas F. Probeby Trophy is awarded annually to the high point winner in the men's events. The Women's G. W. Club Trophy goes to the high point winner in the women's events.

The Men's Point Trophy was won by Hillary A. Tolson in 1924, by John Loehrer in 1925 and by Emmanuel Aaronson in 1926, while the Women's Point Trophy was won by Beatrice Woodford (Mrs. Arthur Crocker) in 1924, and by Leah Cate in 1925 and 1926. The former is an outright award and the latter a three-year trophy.

Gold, silver, and bronze medals will also be awarded by the Men's G. W. Club to second, third and fourth point winners in the "open" and women's events. Gold, silver and bronze medals will also be awarded to the first, second and third point winners in the Men's "closed" events. Fourth, fifth and sixth places in the "open" events will count 2, 1 and ½ points, respectively, for men trying for the "closed" events medals, that is, men who have not won letters in track.

Relay Cups

In addition to these medals every contestant who places first in any event but who does not receive a point medal will be awarded a bronze medal by the Men's G. W. Club. The winners of the mile and two-mile runs will also be awarded bronze medals.

The Inter-Fraternity Relay Cup, donated by H. W. Crum, Director of Athletics, and won by Sigma Alpha Epsilon in 1924, Sigma Phi Epsilon in 1925, and Sigma Nu in 1926, will be awarded to the fraternity team winning the Inter-Fraternity Relay Race. The Inter-Sorority Relay Cup, donated by the Pan-Hellenic Council, and won by Chi Omega in 1924 and 1925, and Kappa Delta in 1926, will go to the sorority winning the Inter-Sorority Relay Race. Several fraternities and sororities already have their teams in training for these relay races in which there has always been the keenest rivalry and enthusiasm.

"COMMANDMENTS" ISSUE AT COLUMBIAN DEBATE

"Resolved: That the Ten Commandments are passe," was the subject of debate at the regular weekly meeting of the Columbian Debating Society held in Corcoran Hall last Friday night.

The affirmative of the question was argued by Dinbets, while Slaughters upheld the negative of the issue. After the debate the meeting was thrown into an open forum and the members expressed their opinion on the subject.

Some discussion concerning future meetings issued and programs were planned for several weeks ahead.

LITTLE THEATRE WILL OPEN SOON

University Drama Students Are Offered Opportunity To Study Art of Movies

G. W. STUDENT MANAGER

Theatre is Dedicated to the Intelligent Movie-goers: Is Now Being Remodeled

Students of the various dramatic courses at George Washington will have an opportunity to study the art of the worth-while moving picture and the latest aesthetic developments of the films upon the opening late this month of the Little Theatre between F and G on Ninth Street. It was announced yesterday. The theatre will be under the management of John Dean ("Jack") Milligan, a George Washington student, who was formerly editor of the dramatic column of the Hatchet.

Dedicated to the intelligent movie-goer, and in no way a commercial proposition, the new house of the Motion Picture Guild will present principally great foreign productions that do not secure general showings because of their cost and the limited public which they interest. The Guild is formulating plans to help students of the theatre at George Washington to study the history and making of the better class films.

To Be Distinctive

Anyone who has seen the few productions of the famous UFA organization that have obtained general release, such as "The Last Laugh," "Faust," and other Emil Jannings pictures, will understand that they are to the average American movie as Shakespeare is to Anne Nichols. The Guild believes that it is time that the superior picture be recognized and studied, and will present many productions better than the ones mentioned above.

The theatre itself will be the most distinctive and interesting in the country. It will be entirely different from the usual "cinema sink," as George Jean Nathan calls them, with no screaming posters, large electric signs, tawdy and gaudy decorations, and "presentations." Seating only 225, and with roomy chairs, there will be almost twice the usual space between the rows. All display will be sacrificed to comfort and to the picture on the screen.

The auditorium will be dark and dignified, and a large lounge, equipped with many easy chairs, and free coffee, cigarettes, magazines, and candy, will be at the disposal of the patrons. The admission price will allow the Guild to break even on the expense, being only 35c in the afternoon and 50c at night.

HELEN DIX IS ELECTED Y. W. C. A. PRESIDENT

Other Officers Named Are Anne McCorkle, Louise DuBose and Louise Omwake

Voting for next year's officers of the Y. W. C. A., which was held in Corcoran Hall on March 3, resulted in the election of Helen Dix as president; Anne McCorkle, vice president; Louise DuBose, secretary; and Louise Omwake as treasurer. The officers were elected by unanimous vote.

Helen Dix this year managed the "County Fair," given each fall by the Y. W. C. A., aided by the honor societies and sororities, and also was treasurer this year. Anne McCorkle was chairman of membership, and has worked on other committees.

Louise DuBose was chairman of Social Service, and has been prominent for her work in connection with the Christmas stockings, which the George Washington Y. W. C. A. presents each year to a local hospital. Louise Omwake has acted as secretary this year, and has shown her ability as treasurer in other organizations. The new officers, with a committee formed of the old officers and chairmen, will continue as a cabinet, until the beginning of next year, when new chairmen will be appointed.

The Y. W. C. A. will meet tomorrow for the first time under the new officers, in Corcoran Hall, Room 17. Plans for raising money by selling candy will be brought up at that time.

MEN'S GLEE CLUB ON WRC RADIO PROGRAM

The George Washington Glee Club broadcast its first program of the year from Station WRC on last Wednesday from nine to ten o'clock.

On the fourteenth of this month the club will appear with the Glee Club of the University of Missouri at its concert and dance at the Hotel Washington.

The club will also sing at the Lafayette Masonic Lodge on March the seventeenth, and the Raleigh Hotel on the twenty-fifth of March.

The Glee Club will give its dance at the Wardman Park Saddle Club on April first.

BILL HUGHES DISPLAYS AT THE CO-OP STORE

Bill Hughes, student, who is the G. W. U. agent for the Edward Clothing Company, of Philadelphia, has transferred his display to the Co-op Store, corner 20th and H Streets. Hughes has been meeting his customers in the gymnasium every Friday afternoon during the year, and he will now be at the Co-op Store at the same time. Use of the gymnasium by the various athletic functions necessitated the change.

Ninety Per Cent Work Way at Ohio State

General Survey of Student Employment Discloses Many Fields For Earning Tuition

COLUMBUS—Ninety per cent of the men students at Ohio State University work their way through school in whole or in part, a survey of student employment discloses. Three men in every five work during the school year to help support themselves, and one in every twenty earns enough during the school year to maintain himself in addition to carrying his school work.

The most common form of such endeavor includes waiting on table and washing dishes for fraternities, sororities and in restaurants. Next in number are odd jobs such as housework, tending furnaces, and clerking in stores. Some of the other occupations include taxi driving, playing in orchestras, stenography, cooking, social service work and the like, while some go so far as to preach from the pulpit and act as professional pallbearers.

The women students are engaged in such lines as tea-room work, stenography, companions for the sick and in dietetic work in hospitals.

ONE-FIFTH CO-EDS WORK

BLOOMINGTON, Ind.—One-fifth of the co-eds of Indiana University or 286, are self-helping, it has been found by a check of records at the office of the Dean of Women. Ten per cent of the women at De Pauw, and thirty per cent of those at Butler support themselves, in part, at least, the American Association of University Women announces.

GRADUATE ENDOWMENT COMMITTEE TO MEET

Plans For Spring Campaign Will Be Formulated by 1927 Committee Today

A meeting of the 1927 Graduate Endowment Committee will be held today to make plans for the campaign this spring. The committee consists of the presidents of the senior classes, and is presided over by Henry James, President of the Senior Engineering class. Each college will have two or more representatives on the committee.

Prof. Arthur Johnson is the chairman of the Board of Trustees of the Endowment Fund. The Alumni members on the campus, Dean Rose, Miss Kinnannon, Miss Jones, and Prof. Johnson have pledged their assistance to the fund.

The plan of the Endowment is to have each senior voluntarily sign a pledge at the time of his graduation which will be payable each year. Eventually this should become a tradition which each senior would carry out as a matter of pride in his University.

The money cannot be used until there is a sum of \$100,000. There will be various uses for the fund, including the building of new units, repairs, library and laboratory equipment.

University Secretary Addresses Loudoun County Educational Association at Leesburg

PLEADS MORE HUMANITY

Speaker Would Popularize Study of History Without Its Degrading Into Cheap Journalism

"I would not dehumanize history, but I see no reason why historical writing and teaching should degenerate into yellow journalism," declared Dr. Elmer Louis Kayser, Associate Professor of History and Secretary of George Washington University, in an address on "History and Citizenship" given before the meeting of the Loudoun County Educational Association at Leesburg, Va., last Saturday morning.

Degradation into yellow journalism "will never popularize the history that informs the discretion of the citizen to be," continued the speaker. "I hope we will more and more find a true scientific attitude in historical writing and teaching of students. But I hope the day will never come when we refuse to feel the romance of our past; when we want to flog great-grandmother's love letters to drive out the fragrance of lavender and old rose before we descend to read them."

Youth Scoffs at Victorians

"We see periods too quickly as Mauve decades," declared Prof. Kayser, "and with an astigmatism, born of the tension of the times, we see pink as purple too quickly. We act as if those Victorians at whom we scoff had fooled us long enough and now we are even."

The speaker stated that his observations arose out of a rather intimate acquaintance with the ultimate consumer of history. He told of the many students who come to college with an utterly unsatisfactory attitude toward American history.

"With a boredom that only youth can perfectly affect, they tell us on registration day 'we are tired of American history.' Do we have to take any more of that stuff? Twelve years of it is enough. I say it is a sad state of affairs when American youth will enter, even for the ninth time upon the study of the history of their own people without enthusiasm," continued Dr. Kayser.

American History Improving

"But your rejoinder may be, we are now improving American history. We are humanizing it. I dare say that many a good old patriot is turning over in his grave today at the thought of the humanization his memory is going through. I believe that the contagion is striking our students, that with their elders they are not interested so much in finding out that George Washington did not always tell the truth as in gathering evidence that he was a proverbial liar. I submit that the public discretion is not informed by the gathering of material to admit a patriot to the Annapolis Club."

"Now history teaching, which is vital, must never be allowed to become abstract," Dr. Kayser went on. "World history might once have been a luxury in American Education; today it is a necessity."

"To instill a humanity that knows no frontier, to impart a knowledge of our government and of development of our people, and to implant a loyalty which can not be shaken but which will endure and intensify; such is the task of the schools if, in the quaint language of Jefferson, they would 'inform the discretion of the citizen,'" he said in conclusion.

FOUR CUPS AWARDED AT INTERFRAT PROM

Kappa Alpha Wins Scholarship; Vance Brand and Lillian Marcerson Lead Promenade and Figure

The annual Interfraternity Prom, given by the Interfraternity Council, was held at the Willard Hotel last Friday night. The affair was without doubt the outstanding social event of the season and with approximately 500 persons attending, was the largest and best Prom ever given by the council.

The most prominent event of the evening was the grand march, led by Vance Brand and Miss Lillian Marcerson, assisted by S. B. Nair and Miss Katherine Baldwin. The march was first led around the ballroom and ended in the formation of the letters "I. C." Everyone received favors, which were decks of cards in leather cases with "Interfraternity Council, 1927," engraved on the cover.

During the course of the evening cups for scholarship, baseball, tennis, and basketball were given to the fraternities who won them during the past year. These were presented by the president of the council, John C. Ketcham, Jr. Each fraternity was given a box and each had its banner over it. The Buff and Blue was jazzed up a bit into one of the best dances of the evening along with many fraternity songs, played by Weidemeyer's college orchestra.

Cups awarded were: Scholarship, to Kappa Alpha; Tennis, to Sigma Chi; Baseball, to Phi Sigma Kappa; Basketball, to Kappa Sigma. The fact that Kappa Sigma had won a bowling cup and that Sigma Nu had won the Interfraternity relay cup was also officially announced.

"Why has your new typist left?" "I tried to kiss her one day when it had just struck five and she wanted to be paid for overtime."

Chinese Student Move Is Discussed in Chapel

Paul C. Meng, Chinese Student, Gives Talk Last Friday; Says Movement is Educational

The meaning of the Chinese Student Movement was discussed in chapel on Friday, March 11, by Paul C. Meng, a Chinese student, who was introduced to the assembly by Mr. Fuller of the Y. M. C. A. The Chinese college students are organized in a national unit which has been in existence as long as the democracy, that is, for 17 years.

It is really a national popular education movement, for the students publish weekly papers on democratic questions and go about lecturing in an effort to arouse an interest in the people in education and in the affairs of the democracy.

The students also investigate industrial situations and attempt to solve problems of industrial relationships, the women being especially interested in the abolition of child labor. Mr. Meng concluded by expressing the hope for intellectual exchange among the college students of the world for common benefit.

BANQUET WILL CLOSE GIRLS' DEBATE SLATE

Season Ends With Win Over Cornell University and Two Losses

Co-ed debaters of the University will give a banquet in the near future for the members of the girls' debating squad. The event will be the closing feature of the girls' debating season.

The banquet will be in the way of recognition for the work which the girls have done this year. The affair is being arranged for by Mr. Gilbert L. Hall, of the Law School faculty, who has coached the team. The date and place will be announced in the near future.

But one victory has been scored by the girls' team this season. Two debates have been lost. Cornell University was defeated in the first debate of the season by a two to one vote. Two debates were held with the girls' team of Ohio Wesleyan and both were lost.

"Resolved: That Congress should enact uniform marriage and divorce laws," was the subject of the first debate with the Ohio girls. George Washington had the negative side of the issue. They obtained a two to one vote over the Colonial dames. The debate was held in Corcoran Hall.

On the return debate with Ohio, held away, the Hatchettes took the affirmative side of the question and lost two to one. The team was composed of Marjorie Mothershead, Ruth Kernan and Allee Nesbit, with Lillian Rhodes as alternate.

Entire Family May Go To Vassar in Summer

College to Provide Facilities For Everyone; May Check Babies During Lectures

POUGHKEEPSIE, N. Y.—Child guidance, economics of the family, social and legal relations of the family, family and individual adjustments and applied evolution are some of the subjects to be taught to men and women under the heading of Euthenics at the summer school of Vassar College. As a nursery is to be provided for the children the whole family may attend college at the same time. The nursery will have a fully equipped staff, and will be used to demonstrate the newest methods of care for young children. Euthenics is the science of efficient living, the study of the controllable environment and its adaptation for the improvement of the individual, and hence the race.

Annie Louise MacLeod, director of euthenics, believes that men as well as women are interested in the problems of living from both the personal and the sociological point of view, and thus unmarried men will be admitted to the classes.

Another group of students will discuss the handling of the family income.

G. W. U. WOMAN LAWYER JOINS LOCAL LAW FIRM

Miss C. Virginia Diddel, Now Associated With Hitt & Miller

Moutrie Hitt and Clarence A. Miller, both graduates of the George Washington University Law School, and now engaged in the practice of law here under the firm name of Hitt & Miller, have just announced that Miss C. Virginia Diddel has become associated with them and will be actively engaged in the practice of law.

Miss Diddel received her LL. B. degree from George Washington University in June, 1923, and was immediately successful in passing the local bar examination, although just past 21 years of age. Until recently she has been doing legal work for the Children's Bureau and the Mixed Claims Commission of the United States and Mexico.

Miss Diddel was active in student affairs while attending G. W. U. and has taken an active interest in local women's organizations. She is a member of Chi Omega Sorority, Phi Delta Delta Legal Fraternity, the Women's City Club, the Women's Bar Association, Columbian Women, and many others.

G. Kibby Munson, who received his LL. B. from G. W. U. in June, 1924, recently joined the firm of Hitt & Miller. He taught the class in criminal law during the recent illness of Prof. John Paul Earnest.

BECKY SHARP IS GIVEN RISING VOTE OF THANKS

Pep Club Chooses Badge to Be Worn at Saturday Dances

Ford Young presided at the regular meeting of the School Spirit Club, held on Thursday, March 19, in Corcoran Hall, which was largely taken up with old business, such as planning for the Saturday dances and more discussion of the pin question.

It was voted that the club should not use a pin, but that some inexpensive badge should be worn at the club's Saturday dances, and especially at all school meetings where cheering sections are needed, so the members might band together as a unified group. The badge will bear the letters "G. W. U." in buff letters on a blue background. Dayrell Crane was appointed chairman of the badge committee.

A rising vote of thanks was given to the volunteer orchestra composed of Lynn Van Dercock, George Brest, Oscar Brand, Harold Luber, and Francis Tompkins, which played at the dance of March 5, and to Becky Sharp, because of her recent support of the club.

Plans were not definitely made for the taking over of an assembly, but will probably be concluded at the next meeting, to be held on March 17, in Corcoran Hall.

Francis Tompkins was made Chairman of Dances, and Ruth Greenwood will continue as Publicity Chairman.

Another of the Pep Club's popular dances will be held in the gymnasium this Saturday morning at 11 a. m., with the well-known Naomi Band furnishing the music. Because of the interest that has been shown in these weekly dances, it has been decided to engage this orchestra and charge each dancer ten cents for the hour, proceeds to be given to the band.

It has also been announced that the "Black Bottom" trio which created such a sensation last Saturday will be on hand for a return appearance.

GRAD. ASSISTANTSHIPS FOR CHEMISTRY OPEN

Applicants for Positions Asked to File Records of Chemistry on April 10th

Applications for positions as Graduate Assistants in Chemistry are invited from students who held a bachelor's degree in Chemistry or who are candidates for such a degree in June, 1927, and who wish to study for an advanced degree, majoring in Organic Chemistry or in Biochemistry, according to an announcement recently made by Dr. Colin M. Mackall, Professor of Chemistry at the University.

Graduate Assistants devote approximately 13 hours per week to laboratory instruction, recitations and the grading of papers, the rest of the time being devoted to advanced study and research. The requirements for the degree of Master of Science in Chemistry may be satisfied in one academic year, plus one summer session of nine weeks.

Graduate Assistants receive free tuition, a stipend of \$600.00, and the remission of all laboratory fees in the Department of Chemistry for the academic year, and are eligible for appointment in the Summer School.

Applicants should submit a complete record of their college or university work certified by the registrar, a recent photograph and a statement of the branch of chemistry in which they wish to specialize. In addition, they should ask two of their professors to write directly to the undersigned in regard to the qualifications of the applicant to instruct and to undertake advanced work.

Applications must be submitted before April 10th.

NEWMAN CLUB

The Newman Club held a meeting last Tuesday evening in Corcoran Hall. Doctor J. R. Christopher of the Catholic University of America spoke on "English Intellectual Education." March 22 is the date of the next meeting of the Newman Club to be held in Corcoran Hall.

PROF. BOLWELL SPEAKS TO FRESHMEN WOMEN

Prof. R. W. Bolwell spoke at the regular Tuesday meeting of Freshmen women in Corcoran Hall on March 1, on the value of reading.

Although Prof. Bolwell suggested several authors as particularly excellent in their philosophy of life, he pointed out that all reading helps, and that the important point is to co-ordinate one's reading, bringing to the second book the knowledge gained in the first.

"No matter what book Coleridge read," he said, "and he read all that he could lay his hands on, he brought to it a wealth of past experience and thought that even the jottings on the borders of the books that he used, which showed how the reader had amplified or disagreed with the author, were noteworthy."

DR. MEEK SPEAKS

Doctor Lois Meek, Educational Secretary of the American Association of University Women, spoke in Chapel on Wednesday, March 9, on the "Advantages of a Pleasing Personality in College Students."

Dr. Meek stressed the fact that home influence is of great importance. She said that members of families so often fail to adjust themselves to one another and thereby miss the happiness of congeniality.

Pi Delta Epsilon to Initiate Monday Night

Honorary Journalistic Fraternity Will Take in Six Men; Meeting Held Last Week

Six men will be initiated into the George Washington University chapter of Pi Delta Epsilon, national collegiate honorary journalistic fraternity, at a meeting to be held at the Theta Upsilon Omega fraternity house, Monday evening.

The men who will be initiated at that time are Sherman E. Johnson, Richard Campbell Starr, Elbert L. Huber, Joe D. Walstrom, Robert Stearns, and Rowland Lyon.

Many honorary and inactive members are expected to be present for the ceremony. A meeting of the fraternity was held last week to plan for the initiation. Prof. Henry Grattan Doyle of the University, who is national vice-president of the fraternity, will assist in the initiation.
